Letter **0005** (E02.008)

Dear Rabbi Laufer

There are no words to express my feeling of appreciation for all the help, care and concern that you and others have showed to me and to my children.

It is extremely encouraging to be surrounded by those that have showered us with kindness. It is my hope that Hashem will reward you in kind and that we will be able to get back on our feet and be in the position, at some point, to emulate your exemplary acts of chesed.

With very warm regards,

Mrs.

Letter **0006** (E03.025)

Dear Rabbi Laufer,

We really want to say thank you to you for all that you do for us and Klal Yisroel. I'm sure your chair by Mashiach will be so beautiful. I'm really crying and typing this.

My father passed away and you just called us, you didn't ask us any questions at all, nothing. You just wanted to help. Can't even imagine how many families you do this for. It's so very much appreciated and needed. Thank you so much.

Pesach, weekdays, Shabbos – thank you.

I know you are a shaliach from Hashem, but you do your job so beautifully. Hashem is so proud of your hard work.

You called, and after our first time in your store you called us again. Thank you for making us feel comfortable – really, thank you.

You, and your staff, and the donators, and the volunteers and all your family and family to come BH should really be zocheh to see Mashiach really soon. And to be happy and healthy while waiting that time.

All the best

Tizku lemitzvos

Thank you for everything, ... Family

Letter **0007** (E02.044)

I have no words to express my very deep and respectful הייליגער באשעפער to you all. Most of all I thank the שלוחים into the world, at such a time. You all truly enhanced יו"ט for our entire family.

The מצות were absolutely delicious. Don't remember having such מצות געשמאקע. My thanks to all of you really has no end.

The Fleish gesheft was ממש לפניך משורת הדין. My children said a few times how delicious the fleish was during פסח. I myself usually would never spend so much on fleish. I shop in Kollel looking for the best for the cheapest. Now I just let myself buy whatever I wanted לכבוד יו"ט. I have no words for the שמחת יו"ט you people enabled me to have this difficult time, losing my dear sweet husband.

The same was with the fish, amazing, not to mention the fish and fleish after יו"ט and continuing.

My בלי סוף to you all is הכרת הטוב.

דער רבוננו של עולם זאל בענטשען ענק אלע מיט אריכת ימים ושנים טובים מיט געזונט, נחת, פרנסה, בס"ד הרחבת הדעת, פרנסה, מנוחת הנפש וכל טוב סלה. וגם שידוכים טובים

Sincerely; Mrs.

א געזונטן זומער!

Letter **0008** (E02.042)

L'Kavod Horav Laufer, Shlita

Words cannot express my HaKoras HaTov to HoRav Loeffler and all the Menadvim for the abundance of food (from Matzah, wine, fleish, fish, fruits and vegetables and more and more) I received L'Kavod Chag HaPesach. I am just humbled by the Rav and his dedication to the Almanos.

It was all B'Kavodik delivered, B'Sever Panim Yafos. The best of everything. I am so grateful. Besides the financial help, of course, you are Mechazek me so much – to know there are Yidden who don't even know me and care about me, my family and how I will make Yom Tov! I am still telling people about the beautiful Arba Minim I received! They were all so extra Mehudar, so beautiful. Thank you so much.

MI K'AMCHA YISROEL!

I do have the names (from various letters from Rabbi Loeffler) and do daven for them. I keep them near my siddur. The RBSHO should hear my Tefilos.

HoRav Laufer and everyone involved should be bentched with a wonderful, Simchas Yom Tov – a Yom Tov with Gezunt and Rov Nachas.

Thank you! Thank you!

I wish my Yiddish was better to write this all in Yiddish...

Also, I'm sorry if I did not thank you enough over the year. I just appreciate so much all that you do for me.

Wishing the Rov Ah Freilichin, Kosherin Pesach.

Kol tuv, Mrs.

Letter **0009** (E23.002)

Dear Rabbi Laufer

We spoke before Yom Tov and today I got the Handbook from you. I read it all. First of all, you made my Yom Tov very berachvus, my married daughter kept on saying that the meat smelled and tasted very good Baruch Hashem all the cooked meat came out delicious.

38 years ago, I became frum, at the same time my husband A"H also, we got married in a shidduch in Yerushalayim Hakodesh and came to Canada with 2 babies. Parnassah was always a struggle for my husband, and right after we married my first son, my husband got sick with the machlah and left me.

I am thanking HKB"H for embracing me under the Wing of the Shechina. For me getting the phone call for helping us with your Keren Funds, it's a call from Hashem that He didn't forget about me. You really warmed my heart.

To be an Almana is so hard that I can't even express it, it's in all aspects, but being connected to HKB"H you see it so clear that Hashem is with us. על שלשה דברים העולם עומד, על התורה, על העבודה ועל גמילות חסדים.

When Hashem sees the chesed that His nation is doing for each other, that's what makes Hashem proud of us that He chose us as His nation.

Thank you again, especially that we are in a different country as well.

May Hashem should give you בריאות הגוף והנפש, פרנסה שריון, שמונת חיים, שלום בביתך, זרע של קיימא לכל יוצאי חלצין.

..... יזכו לבריאות הנפש והגוף ויפקדו בזרע של קיימא עם דור ישרים והרבה נחת והצלחה אמון.

כל טוב, Mrs.

Letter **0010** (E11.016)

Dear very special contributors to Keren Almonos v'Yesomim,

Words cannot express the gratitude I feel for the הקב"ה's kindness in guiding me to be a receiver of the generous help that you provide.

Because of your kindness, I am now able to have my precious family over for a meal without worrying how to manage or deciding I must decline from having anyone over for a meal!

My granddaughter is here in seminary and it's her birthday,

I invited her over for supper with ease and joy! Thank you.

My family is growing beautifully ב"ה. I was always the Bubby everyone loved coming over to. Because of high rents I had to move into a tiny apartment and stopped inviting my family for a meal because of finances.

Because of you, I feel like the Bubby I'm meant to be. It's such a nachas to have a young couple come and have a lovely meal and have quality time together! Thank you!

As I wrote in the beginning, there are no words to express my gratitude enough.

May הקב"ה bentch each one of you with much, much Yiddish nachas, gezunt, parnossa and all the brochos א-ת! Everything you could ever wish for!

Thank you so much, Mrs.

Letter **0011** (E02.010)

To Rabbi Laufer עמר"ש

Thank you for the לולב and אתרוג.

It's not that I didn't have the money, it's because with all my grandchildren קע"ה I needed someone to shop for it and bind it but everyone ב"ה was very, very busy with סוכה preparations.

The אתרוג was 'beautiful' the לולב was tied to perfection.

תזכו למצוות

Mrs.

Letter **0012** (E03.037)

The Torah informs us of the terrible punishment inflicted on those who hurt widows, orphans and others facing daunting circumstances. We cannot fathom how great is the reward for those who open their hearts to come to their aid and take all possible steps to try to ensure that they are not hurt. Their actions reverberate in the very Heavens and create angels of protection for all of Klal Yisrael.

Thank you and תזכו למצוות to Rabbi Laufer נ"י and my special gratitude to the מנדבים.

They should have הצלחה and good health in all their endeavors.

Mrs.

Letter **0013** (E03.015)

Dear Rabbi Laufer and Pesach Staff and Volunteers, עמו"ש

There are no words to express the hakaras hatov I have for the help the Keren provided over Pesach. (This in addition to the rest of the year.) I am sure that each and every one of the recipients feels exactly the same way. In addition to the financial help provided, the Keren helped in many other ways, especially this year.

I am a fairly new almanah, 3 months at the time of the delivery. This then was my first Pesach experience alone and with a new title. The items delivered cannot be purchased too much earlier and deliveries sometimes so close to Yom Tov are harder to get in a timely manner. But at the time of the

delivery I wasn't even leaving the house for safety. Your help was a real lifesaver!

The nicest yingerman and his sons came in with a smile and continued to smile even while schlepping the heavy boxes.

And then suddenly, I didn't feel so alone. The caring and concern overwhelmed me. Then the yingerman gave me an envelope. I told him it wasn't for me, and he said take it, this time of the year everything helps. And it did, the next day it helped me with the matzhos.

I cannot begin to imagine the time and effort it takes to coordinate this massive undertaking and how the Keren is so carefully orchestrated to treat everyone with a sever panim yafos and with extreme kovod and dignity. The zchussim of your unbelievable efforts perpetuate the chessed of your parents and continues their life's work in the most beautiful way possible.

אילן אילן במה אברכך

With the utmost of appreciation, Mrs.

Letter **0014** (E11.002)

To Rabbi A Laufer

I thank you for the thought of making sure the Almonas have fish and meat. I was wondering

You should go from strength to strength in all you do.

Mrs.

Letter **0015** (E03.004)

לכבוד הרב אברהם לויפער שליט"א

I am writing this letter in English because my ability to write in Yiddish is not good and I want to express a little bit of what is in my heart, the הכרת הטוב I have to Rav Laufer for being מקיים and עוסק with the Keren Almanos V'Yesomim.

I approach Shabbos without the worries of how I can have the basic chicken, fish and meat that make the "תענוגים" of Shabbos and are the big expenses of Shabbos. My kinderlach enjoy the cholent and we even have left over chicken for Sunday night's supper!

I usually make my chicken soup with chicken bones, but now I also put in some boiled chicken as well. That, with the vegetables in the soup, is another meal.

May the עולם של ריבנו bentch you and your mishpacha with שפע ברכות והצלחה בכל מעשי ידיכם.

May you have a כתיבה וחתימה טובה בספר החיים לשנים ארוכים וטובים

Mrs.

Letter **0016** (E04.001)

Dear Rabbi Laufer and Family עמו"ש

Thank you so much for the beautiful set, the נוי of ארבע מינים, סוכה, and of course the generous meat and fish accounts which we have put to good use, especially over the ימים טובים. Words cannot adequately express our appreciation.

The last 6 months since my husband was נפטר have been

very painful and lonely, but you always make us feel like we're being thought of and taken care of.

May הקב"ה repay you and your family and all those who support your incredible acts of חסד with endless נחת, ברכה, and שמחה! הצלחה

With much הכרת הטוב, Family

Letter **0017** (E21.008)

It BH came on time and was greatly appreciated.

I am mispallel for the Hatzlocho of your holy work.

Mrs.

Letter **0018** (E03.014)

Dear Rabbi Laufer

I don't really know how to say thank you enough for all that you do for us and the klal. You really became part of our family, in our tefillos and our thoughts all the time. We love the booklets you send with the names to daven for, it makes things feel so special knowing you want us to daven for those names. When we daven by the Shabbos candles we always daven for you and by nishmas kol chai, and when we walk in and out of your store.

When the boy came to deliver the lulav set for Sukkos, he

said that he got to meet you that day for the first time and he was talking about how special you are.

Our family really always wishes you minutes and days and years filled with brocha and hotzlacha with no michshol and lots and lots of Siyata Dishmaya.

Can't wait to meet you by Mashiach,
The Family.

Dear Rabbi Laufer

Words cannot describe the hakoras hatov for all that you do. Allowing a person to shop like a mensch and never feeling uncomfortable. I'm just amazed at the chesed that comes from your family.

Losing a husband at any age is difficult. A breadwinner and head of a family is gone. You have made it easy not to have to worry about having fish and meat all the time.

Hashem should give you and your family much gezunt, nachas, simcha and koach to continue doing this amazing chesed.

Thank you again and again, Mrs.

I just got off the phone with a very pleasant man who,

when I told him I'm not going to be able to pick up my מצות tomorrow, (I live in and I have to work, etc.) he immediately said they'd deliver. Then he called back to convince me to get eggs, potatoes and grape juice.

I have no words for the kindness and generosity! I was so excited that I immediately made a menu and decided to try after a long time to make a really good potato kugel! Plus I'd been putting off cleaning my freezer and now I'm doing it בשמחה!

So you are truly contributing a lot towards my שמחת יו"ט and I have much הכרת הטוב to you.

לכבוד הרב לויפער שליט"א

Words can't express my thanks to הקב"ה and to Rabbi Laufer and family for being the שליחים for the beautiful יום טוב that we had.

I was able to have my children and their משפחות – פון די שענסטע אין די בעסטע and בלי עין הרע, כן ירבו

They kept remarking how fresh and delicious the fish, meat and chicken were. It's not only יום טוב it's also year round. Everything is so fresh and sent בכבוד'יג. The fresh produce was also of excellent quality.

Thank you again לבי מעומקי and יה"ר שתזכה לשפע ברכה, והיכולת להמשיך בעבודת הקודש מתוך נחת, געזונט, פרנסה ברווחה, הרחבת הדעת יחד עם בני המשפחה עד ביאת גואל צדק בקרוב בימינו מאחלת,

Letter **0042** (E02.001)

לכבוד ר' לויפער,

When I lost my husband 2 years ago, I was filled with despair and sadness. My husband had taken care from finances to all the things that were needed in the house.

My kinderlach didn't have a Totty, should they also not have chicken/meat for שבת, יום טוב and throughout the week?

Not long after, I received a phone call from R' Laufer who

immediately took the burden off me. This brought שמחת
החיים into my home because I can order as much as I need
without any worry.

We're so grateful that it's done so בכבודיג.

May the עולם של רבוננו answer all your בקשות לטובה

With much appreciation,

Letter **0043** (E02.002)

To Rabbi Laufer עמו"ש, החשוב

I wanted to write this thank you letter for a few months,
but I found it very difficult, because I am the one who is in
need of your great חסד.

Most of my husband's ז"ל life he was known as a big בעל
אהבה which he did with enormous חסד, צדקה. But then
everything changed because at 43 years old he became sick
and for the next 18 years he suffered with kidney failure and
transplant and many complications and again kidney failure
and he live in many hospitals taking all the יסורים. He didn't
complain but we lost everything. He was נפטר. The thing he
kept worrying about was the מצב I would have to deal with.

Rabbi Laufer עמו"ש – הוא gave you a special
understanding that comes with being a huge אוהב ישראל of
how you can ease some of the unfortunate situations that
people have to deal with when their whole life changes so
much.

Until I was encouraged to reach out to you and your incredible חסד, I very, very rarely bought chicken, meat, fish. Now you made it possible, it is never easy or comfortable to know I am on the taking end, of course I'm always ashamed, even though it is done with so much כבוד. You most definitely exemplify מי כעמך ישראל. We all have so much to learn from you.

עולם should give you the strength to continue to be the שליח to help yiden in their sad and struggling days.

You and your משפחה should never have to feel what it is like to be in our מצב.

With enormous הכרת הטוב thank you so much for easing the very harsh burdens of our daily lives.

Be gezunt, be gebened always, Mrs.

Letter **0044** (E21.001)

Dear Rabbi Laufer שליט"א

There are no words that would properly express my appreciation for this absolutely, tremendous chesed, which is removing such an enormous worry for me – especially before Pesach.

Your year round assistance with fish and meats has made such a huge difference in how I can make Shabbos and Yom Tov for my family without having to worry about the expense I unfortunately can't afford.

Hashem should bentch you and everyone involved in this beautiful, amazing mitzvah with ימים ושנים טובות with

נחת from your families.

One thing is for sure, you will be the front runners to greet Moshiach. May it be very, very soon.

I will definitely say תהילים for and for the wellbeing of הרב אברהם בן העניא שליט"א.

With best wishes for a פרייליכן פורים and חג כשר ושמח

I remain with the greatest respect, Mrs.

Letter **0045** (E10.001)

Dear R' Laufer עמור"ש

I want to thank you for helping us make beautiful שבת שבע שמחה for my daughter. It was a beautiful, beautiful ברכות I was able to serve delicious, plentiful meals that everyone enjoyed.

I was זוכה to marry off my eleventh child and it was very important to me to be able to invite my children and their families, my brothers, sister and the מחותנים and their children. It was only because of your caring and אהבת ישראל that I was able to have my whole family and enjoy such a special שמחה. May ה' give you much נחת from your family and to all those who participate in the מצוה.

ימלא ה' כל משאלות לבך לטובה

May you merit שידוכים הגונים, ברכות רפואות ישועות and הצלחה in all your endeavors.

With much הכרת הטוב, Mrs.

Letter **0046** (E02.006)

Dear Rabbi Laufer עמו"ש

"Honorary!"

As I sit here at my kitchen table, Thursday afternoon my tears are rolling down heavily. I bentched to our loving Father in Heaven for enabling me to have delicacies - "Heimishe" food to eat in such a tragic time for me. I thanked Him from the bottom of my heart over and over that I don't have to count the bits I eat or beg anyone of my terrible plight ??.

When I finished my bentching, I said I must sent a thank you note to the "Hidden Malach" who is behind the אויבערשטער - שליחים to enable me to feel like a normal person with dignity to go into a store to by לכבוד שבת food for me and my 2 sick daughters.

2 & ½ years ago, my husband became suddenly critically ill from one moment to the next. He was a vegetable these 2½ years and he passed away 6 weeks ago. I have lost even Social Security now and with this corona virus all offices were shut down. I can't even pay my rent! Had I not gotten what you give me I would not be able to have a meal at my table and I would never beg or tell anyone.

We unfortunately don't have much family and nobody even asked these 2½ years how I'm managing financially! And I never bring it up, I leave it to the רבש"ע to help me and He sent you the Angel to help us!

The zechusim are yours and only our loving Father in Heaven can pay you back for helping almanos and sick yesomim like my daughters!

As I finish writing my tears are blinded in the way you are helping me!

I can't thank you enough!

To a very special Rabbi Laufer עמו"ש

From the first time I spoke with Rabbi Loffler till today everything has been with the same kindness, understanding, sensitivity and generousness.

Nothing is too much and every small detail is thought to make us the most happy and comfortable all year round.

ה"ב we have not felt a lack of anything, we feel more satisfied. פסח is a very hectic time, I have a huge עול off me and can't fathom how busy Rabbi Loffler is with all the orders. The list is so vast and high quality.

May 'ה repay Rabbi Loffler and family with ברכות!

Dear Rabbi Laufer עמו"ש

I got a call from you tonight inquiring why I was not using my account to buy fish. I as so inspired by your drive to do חסד in such a beautiful way and felt so warmed by your care and concern.

My family is going through a very hard time right now, because I have a grandson (..... בן) who is sick. When I got

your call I felt that although I don't understand ה' reason, I know that ה' is taking care of me.

I usually have a big crowd for שבת. Meat and fish was always a big expense. Because of your generosity I can enjoy cooking and hosting my children for שבת and יום טוב without worry. Thank you very much for your help. May ה' send you די ברכות of everything good with good health and נחת, שמחה and פרנסה.

And may we see משיח בקרוב

Sincerely, Mrs.

Letter **0049** (E10.003)

Dear Rabbi Laufer עמו"ש

I just wanted to express my הכרת הטוב for the tremendous מנוחת הנפש you provide me and family. It gives me such knowing that this expense is covered – chicken for week, meat and fish for Shabbos and Yom Tov. I feel treated so royally and with such dignity.

Before יום טוב when you added additional items, I greatly appreciated that also.

When my married children came for שבת and יום טוב, I feel so privileged that I can host them and serve them abundantly.

Thank you so much for all that you do.

May Hashem repay you in kind, with געזונט, ברכה, and כל טוב and נחת

There are no words... only tears.

These are the words that a friend sent me in a card after she heard the shocking news.

We cannot believe this ever really happened – such a special, unusual person, so much a part of us – taken from us so suddenly, without any notice.

There are no words... only tears.

The way it is set up is also honorable and we feel no pressure whatsoever, it is truly beautiful!

I did not know there was such an organization until unfortunately I had to know as my husband passed away... Such is your tzniusdike way of helping! Thank you!

Dear Rabbi Laufer שליט"א

I must write to you to thank you from the depth of my heart for the gift of dignity and abundance you are gifting my family with on a daily basis.

My home is running ב"ה as usual with regard to the delicious and wholesome suppers I cook for my family in abundance with fresh, high quality ingredients that we were always used to.

In fact my 8 yr old son turned to me recently and said, **"Mammy, I know I'm a יתום – but I don't feel like one – we ב"ה have plenty food and drink and we're happy..."**

I credit his perception in part to your amazing organization that reached out to me in the earliest days of my loss.

Before I could think of these days ahead and how I would manage financially and otherwise I was very reluctant to accept your offer and was afraid of the loss of dignity to myself and my family.

But your wonderful organization are giving צדקה in the most dignified and elevated way – with tremendous discretion and so bountiful, based on each family's needs.

It is truly the most תורה'דיגע way of giving צדקה.

May you and all the generous benefactors of this organization be געבענטשט with only נחת, שמחות, and געזונט.

And may ה' help that this organization gain no more new members!

With much gratitude and respect, Mrs.

Letter **0053** (E02.003)

Dear Rabbi Laufer ש'ו

My heartfelt thanks to you and everyone involved in your organization for your great generosity.

When I first found out about Keren Almunos, I was shy about signing up, but I did.

After I shopped the first time, I was relieved at the big difference it made in my grocery bill. Also, I had been buying small chickens in order to save money. This time I chose a larger chicken and the meat was so much juicier and more flavorful. Or maybe that was just my imagination! Did ה' make the chicken taste better in your זכות? I don't know, but your work is very wonderful.

My son was surprised and so happy that I bought steak for him and my daughter enjoyed the chicken cutlet.

May ה' shower His blessings upon you all. And may He bring the גאולה שלמה right away so you can close Keren Almunos and we can all rejoice together in ירושלים.

Best wishes

As you can well imagine, unzere leben is gevein ibergedreit vegen de corona virus. Unzere tayereh Tatte, Reb ע"ה is nifter gevoren erev Shabbos.....

Der matzav is geven zaier shver. With my husband's petirah, his pension and social security benefits stopped. But, our zeese Tatte in Himmel - - who is the Shomer Almunos and Uvi Yesomim - - designated YOU as His malach and shaliach to put food back on our table. You became a Shituf with the Ribono Shel Olam Himself in being "Masbia l'chol chai rutzon".

And now, your consideration has been elevated to a higher madreigah in providing almunos and yesomim with a hiddur Arbeh Minim, to be mekayem the joyous mitzvah of Sukkos, Lulav and Esrog. The Keren that the heilige Satmar Rebbe initiated, and your beloved father was mekayem, has now been entrusted into the hands of a most capable, concerned and caring Askan – who is highly sensitive to the needs of those lacking a human husband and father. Dear Rabbi Laufer עמו"ש

I wanted to thank you for being such a wonderful שליה of

Hashem! The help you provide for me in opening an account in the meat store and in the fish store has taken a burden off my shoulders!

My Yomim Tovim and Shabbosim were so much less stressful and beautiful because of this help.

I was able to host my married children and grandchildren for all of Yom Tov with a freer heart.

As an אלמנה with children at home and having only my פרנסה to rely on, it can sometimes be challenging.

חז"ל has said:

מגלגלין זכות על ידי זכאי, I envy you, Rabbi Laufer for being chosen as Hashem's שליח of good!!!

I envy your זכותים in שמים!!

May you always be chosen as Hashem's שליח of good and be זוכה to be on the giving end.

It was so comforting to get the call from about the פסח list of fruits and vegetables. It really is so special to know that there are people out there who not only share their money with people who need it especially before a יו"ט, but who take time to make a list and be organized so that we could start cooking early!! Letter **0060** (E21.005)

Rabbi Laufer,

"Thank you" is not a word that is strong enough to tell you the impact that you have in our lives, or at least in mine.

When I lost my husband 15 years ago, my father told me these words which have always remained in my mind:

"Don't worry my daughter; I will always be there for you!" And every time I received your little notebook in the mail, it brings to me the exact same message.

You are a constant reminder that Hashem, our Father, is near, that He thinks of me and that He holds my hand to keep on walking.

What a zekhout it is! To carry such a noble mission, what pride for your family, for your community, for your parents and you're ancestors!

My appreciation and my gratitude are boundless, to your association and all those involved directly or indirectly in this grandiose project, which is yours and your father z"l.

I bless you, your family as well, as all the volunteers, the donors who made this Mega Mitzvah possible, with a long life, full of joys of health and of spiritual and material success.

Letter **0061** (E10.035)

Dear Rabbi

Thank you for being here for me, it makes me feel good to

know I don't have to worry if I have no money for chicken for Shabbos.

I have a problem: how can I order salmon (I used to always buy one piece for my son and myself) when it cost so much money and I can open and eat a can of tuna fish. I don't think I am being fair to spend someone else's money. I am just as happy with tuna as long as I have fish, I am having trouble adjusting to my new role in life.*

Again I am grateful to know you are here for me (us). May you all be blessed to never have to worry about money, may we all be zoche soon in our time for the geulah, may all the sick recover and may we see only simchos and nachas

Sincerely

Mrs.

* I do miss my salmon my treat for Shabbos.

Dear Rabbi Laufer,

Thank you so much for everything you sent me to help make Pesach for my family.

The bountiful and discreet way you offer help to me is much appreciated.

It has been quite difficult for me to work because of illness over the last 2 years and now during the pandemic it makes it even harder. Due to your kind efforts as I prepare Pesach for my family, I am able to do what I have done for the last 41 years - make a zissen Pesach that now B"H includes grandchildren.

The beautiful siddur you sent will be used to daven and IY"H soon be blessed with children.

We couldn't do it without you. My eyes swell up with tears and my heart is full of gratitude and appreciation.

Mrs.

Letter **0072** (E10.014)

Rabbi Laufer, שליט"א,

This letter and enclosed check are long overdue.

In October, the night before Yom Kippur, my doorbell rang and someone handed my daughter a lulav and esrog. She quickly asked me if I had ordered it and when I said 'no' she tried to return it to the man at the door, telling him there must be some mistake, and it is probably meant for someone else (there was no name or address on it). He insisted he was

correct, and left her at the door with what turned out to be a very mehudar lulav and esrog set!

I was still so sure it was given to us in error that I had her call the phone number on the label. I don't know who answered the phone, but the gentleman only spoke Yiddish, which she doesn't. It was bashert that I had a neighbor in the house at that moment who does speak Yiddish and he got on the phone. From his end of the conversation, I began to understand why the set was delivered to me, although I am not signed up with your Keren as a recipient for any food or other assistance.

While I usually purchase my own set every erev Succos, you had no way of knowing how welcome your 'gift' was this year... because at the very time it arrived I was sitting shiva for my sister a"h and was mentally trying to figure out how I would have the time to buy it after Yom Kippur.

I (and my daughter) used the set with pleasure this past Succos, and I had in mind the entire time that I would send in a donation to your amazing organization. I'm sorry that it took me so long to get to it, but I hope that the enclosed check will help in your work and show my hakoras hatov.

Although I wish the amount could be greater, as an elderly almanah living on a fixed income, I am B"H able to support myself and even help my children a bit, but unfortunately cannot become a major donor – although I greatly admire the work you are doing in such a bekovadika way.

May Hashem grant you the strength to continue עמו"ש

Mrs.

Letter **0073** (E03.031)

Dear Rabbi Laufer עמו"ש

I can't thank you enough for all the chesed that you've done for me and my family. I have to tell you that whenever I order fish, it's done in such a bekovidik way – instead of making me feel as if they're doing me a favor, they make me feel as if I'm doing them a favor.

You always know just what to do to help by every יום טוב – the הכרת הטוב and לולב was just beautiful! I have such the שכינה to you and all I can say is thank you, thank you and thank you.

Hashem should bentch you and all your donors with געזונט, ברכה! סייעתא דשמיא and נחת, הצלחה,

You should always be the שליח of Hashem in helping כלל ישראל.

Thank you again! Mrs.

To Rabbi Laufer and Family שיחי'

Please excuse me that this letter is in English, but it is easier to express myself this way.

In the 4 years since my husband was niftar (and the few years before when he was in and out of hospital), bringing Pesach into my home was a stressful, worrisome burden.

This is the first year that I can hold my head up and not worry and stress that I won't be able to make a בכבוד'יגע יום טוב for my children!

Just the fact that after יום טוב I will be able to breathe normally without financial stress is a miracle.

In זכות of all that you do, may הקב"ה bless you and your family with שפע ברכה, שמחות, געזונט.

Know that you have brought life and spirit to my home!

ראשית אודה לה'

And thank the Eibishter for the g'bentched שליחים that were chosen in this world. The רבנו של עולם should bentch ישועות, רפואות וישועות to the entire mishpocha Laufer. Many people may understand and be sympathetic to families going through difficult situations but אתה עלית על כולם.

My husband a"h was sick for a number of years. My wonderful g'bentcht kinderlach were always by his bed, married and unmarried at that time. Sons as well as sons-in-laws. They never left their Tatteh a"h alone.

My financial burdens have been many and when my friend, also an אלמנה, told me of Reb Laufer (should be gezunt and shtark for ימים ושנים) and his help to make Shabbos tish with fish, chicken and fleish for cholunt, I was very moved!! מי כעמך ישראל!!

But it still took me 2 months to get the courage to call. I have never been at home alone for Shabbos. I always have some of my married kinderlach coming, keeping it a Shabbosdik atmosphere. You have truly beautified my Shabbosim בהדור; and מ'קאיעם "יתום ואלמנה יעודד". And I feel the chiyus in being able to cook a Shabbos and Yom Tov with family around me.

A mamma and tatteh make a home and a family. When the family unit and the שלמות of the bayis is הסדר, everyone feels

it - the wife, sons, and daughters; each in their unique relationships feel the vacuum of the Tattah עליו השלום; not by the table on Shabbos and Yom Tov, in shul, at home..

I thank R' Laufer for the many hours of effort you put in to help out in such a mechubadik oiften. And for the thought and consideration you put into those hours.

Thanking you again, Mrs.

לכבוד הרב לויפער עמו"ש

As I prepare for my husband's הקמת המציבה which will אי"ה take place tomorrow, I open the booklet לויפער has sent. I feel like you have sent a blanket to me to wrap myself in tomorrow. Besides the usual unbelievable chessed, I will share that even by לולב and אתרוג will be taken care of - beyond anything I could have imagined.

Thank you is not enough, but all I can say. I immediately wrote names on a card to put in my מחזור.

No words can express this warmth your caring brings.

Letter **0082** (E04.004)

עמו"ש Rabbi Laufer לכבוד,

As we conclude the year of aveilus for my husband, I

wanted to thank you from the bottom of my heart for everything that you've done for us over the past year.

While it was a very challenging year for myself and my family, the fact that you were always there for us throughout the year, made a world of a difference.

The generous meat and fish accounts really came to good use, and were very helpful.

And the unbelievable Pesach distribution, where you took care of so many important needs for יו"ט – from מצה, to wines, to produce, and so much more – alleviated so much stress and עגמת נפש from the preparations and was so incredibly helpful.

Thank you so much again for the unbelievable generosity, care and thoughtfulness that you've shown us! The אהבת ישראל really carried us through the past year, and gave us so much נחמה.

בברכת חג כשר ושמה

Mrs.

Letter **0083** (E10.012)

Rabbi Laufer נ"י,

Thank you for the ongoing chizuk and chesed that you continue to do for me and my family.

It makes a significant difference in our life and is very appreciated.

We ב"ה enjoyed a very beautiful יו"ט with the additional gift of the לולב and אתרוג...

מי כעמך ישראל

The רבש"ע should shine His kindness on you always,

שליט"א Rav Laufer L'chovod

We would like to express our tremendous appreciation for the amazing Chesed that your organization does for Almonos. Our Teiere Mama, Mrs. a"h, was a recipient of your Chesed for the last few years. The fact that she was able to make her homemade gefilte fish (which she wouldn't have fargined herself to buy), made her feel so special and proud.

The chicken and meat that you sent her also let her feel like a breite mama. The way you provided this free fish, chicken and meat was also so bakovodik. All she had to do was make a phone call and it was delivered to her door!

Our mother was niftar on Chol HaMoed Pesach, so please remove her from your mailing list.

May the Eibishter bentch you and everyone involved in this special Chesed with gezunt and ales guts! We should be zoche to Moshiach very soon so that there will be no need for this Chesed anymore!

With much gratitude, Children of Mrs.

Letter **0090** (E10.008)

Rabbi Avrohom Laufer, שליט"א

I received your outline and guide regarding the special Pesach distribution that you are זוכה to be in charge of.

As an אלמנה (with two still single daughters), I could easily qualify for your services. However, although I am not wealthy by any means, I can ב"ה provide for myself and my family as necessary.

The work you are doing is very impressive, not only in its scope, but also in the organization and firm guidelines. Satmar is renowned for its hospital visitation and food programs – as I have personally witnessed when in NY hospitals in past years. What you are doing for Pesach is beyond human capacity, yet done with such competence and with amazing כבוד הבריות.

Even though this was not a fund-raising mailing, I am moved to contribute a modest amount to this year's קמחא דפסחא...

There, but for השם יתברך, go I – so, in the זכות of being נושא בעול עם חבירו, I pray Hashem continues to bless me so that I can remain independent, and that my daughters should find זוגות בקרוב.

May Hashem give you the strength to sustain and uphold your holy mission with continued ברכה והצלחה, עמו"ש.

Letter **0091** (E14.002)

Hi

Please accept my sincere thank you for all that you do, with so much thoughtfulness and sensitivity.

Your hard work and unmatched kindness has relieved me of a huge burden. You have lightened my worries and made my life much easier.

May Hashem Bentch everyone involved in this tremendous chesed with brachos, hatzlacha, nachas, shalom and gezint!

Thank you so much again!

To Rabbi Laufer לאי"ט

Just want to tell you 'thank you' for the beautiful Lulav and Esrog that I received for Succos. I came home and the Lulav and Esrog was on my doorstep. I was totally amazed that you sent it to me even though I hadn't ordered it and that you knew I needed a 'yanover' esrog.

הקב"ה should continue to give you much hatzlocho in your work, אי"ה Moshiach will be here very soon.

Thank you so much for your thoughtfulness especially this time of the year.

שיחיו, קרן in the עוסק All who are לכבוד

It is very hard to say the proper 'thank you' for the געוואלדיגער חסד that you do for all of us.

I am writing this letter with tears in my eyes, I am so emotional about how הקב"ה made you a שליח to help us in such a ברכות'יגע way, and with such אמת'דיגע care.

The ווארעמקייט that is felt by us, each time we read your letters that you send us, gives us the feeling that you really care about us.

Every time I make an order by and and ..., I feel like calling you up personally to thank you.

תהלים מ"א in פסוק the מקיים You are all

"אשרי משכיל אל דל", יישר כחכם, יישר כחכם, כל טוב משפחת

Letter **0094** (E10.047)

Dear wonderful, incredible, heilige sheluchim of Hashem

Please be moichel me for not writing sooner, I have the spectacularly beautiful lulav you sent us, in front of me. The absolutely perfect esrog was given over, to continue your chain of mitzvos, to be made into esrog jelly.

I do not have the words. When my mother and I opened the door to receive the magnificent arbah minim last Succos, we thought it was surely a mistake. We said, no this must be

for someone else. Who would send us such a thing?

Then we were told, no it's not a mistake, it was sent to us specifically, as well as other women who are alone. We were floored. Who would spend this kind of money on people they do not even know! Of course, the answer, as always is, Yidden! The children of Hashem that spare no expense in ensuring that those that are unable to glorify Hashem's mitzvos, can still participate in them, in a dignified and simchadik fashion.

And for it to come from those who do not even know us, is mind boggling. All Hashem wants from us is to love one another, regardless of our position, as the father of the Baal Shem Tov ingrained into his son. I named my only child, Layvi Yitzchak, so he too would, beH, have this noble trait, of loving all Yidden.

My mother has been a widow for many, many years, and I am an agunah for 19 years. BH an infinite number of times Hashem let me have the great brocho of having a child before 'it' all began. So I am blessed more than many, who r"I cannot even have children.

My mother lives on social security and I want you to understand what you did for us. You didn't just send us the least expensive arbah minim, you sent us the MOST EXQUISITE set I have ever had the brocho to see!!! I wish I could have preserved them forever!!!

In your z'chuss and in the z'chuss of the Holy Neshamos you did this extraordinary mitzvah for, may Hashem please give you and your families, EVERYTHING you need to serve

Him easily and with GREAT SIMCHA! And with refuah shelaima, with easy and excellent shidduchim, with easy and applied learning, with z'chuss in this world AND in Olam Habbah and brocho and hatzlacha rabbah in absolutely EVERYTHING!!!

With boundless hakoras hatov and great ahavah,

Mrs.

My name is Mrs , I live in , I am a single mom to 12 great children B"H.

The org. gave me your name and number to get fish and meat.

This is the best thing ever, thank you!!

I know that שבת is taken care of as well as suppers; I really want to tell you is almost like everyone else.

I have 2 boys that lead a diff path of life, when they come for שבת or suppers there is always something delicious for them. One son told me, "Ma, I came for some meat for שבת, do you have any"? That week, I actually didn't but the next week I did b"H. he actually had a סעודה for that שבת meal and thanked me with a hug and kiss.

Being in a position like mine is extremely hard and sad sometimes, but this incident made it seem and feel diff.

He now comes every week for some שבת food. This is in all the credit for your org.

I can't thank you enough, you should all be g'benched with

To all the wonderful people that make Keren Almonos

When I plan the menu for the week, it gives me such
comfort to know that because of your wonderful organization
I have the peace of mind that there will be food on my table.
The best food! I know that I can invite my eineklach for
supper and ensure that our bond grows even stronger by
spending time over a meal together. Once the eineklach get
married, they are ב"ה so busy that weeks can go by without

seeing them. This way, because of your Keren, I can know that we will see each other over a salmon or chicken dinner in a relaxed, loving way ב"ה. Because they come to my apartment we have that private time together.

Of course, I daven with all my heart for each one of you for הקב"ה should bentch you with gezunt, nachas, parnossa and all the brochos א-ת!

שיחי' Rabbi Laufer L'chvod

It is now a week since Yom Tov and the beautiful memories of being surrounded by my children and grandchildren still linger. It is my honor to share these warm feelings with those that made this wonderful aura in my home possible.

Although my children came in the past, I was always tense about the bills. Very tense! I could feel a tremendous relief in the way I personally experienced Yom Tov, knowing that a huge part of the expense is being covered. It was an awesome feeling!

The Lulov and Esrog were a huge blessing too! It got a lot of use!! Thank you!!

A huge thank you to your donor as well. May the Ribono shel Olam look down and see the joy this gift brought in bringing parents and children together to celebrate Yom Tov and reward him likewise to see his son surrounded with the blessing of his own beautiful children.

May Hashem hear our tefillos and reward you with good health and hatzlocha to be able to continue in your Avodas Hakodesh!!

How good is our Father, the רבש"ע, to me, He sent you as a לכבוד שליח with such a beautiful organization sending food שבת. If not for your generosity, where would I be with my two daughters today?

I have not enough words to thank you for what you do for me every week.

I do cry for my pain and shame that I turn to you to help me, but I have no choice. Hashem should keep giving in abundance to all those generous donors – health and all their needs in all the ways they need and want – משאלות לבנו – לטובה

Letter **0109** (E32.001)

Dear Rabbi Laufer,

This is from I'm writing to express to you just how
meaningful it is what you are doing for my family.

As I had told you on the phone, I am a mother of 11, my
youngest, my daughter of 13 years is medically impaired
special needs who is B"H in Sharay Chemlah in Monroe.
Since 7 years ago, I have been struggling to provide and
care for my children on my own, with no help from
anywhere needing to get up at 6 a.m. to start the day with
my children in order to keep food and some basics in the
home, but was still unable to cover all the bills, and at times

had no food at all in the house, not even bread or milk. For over a year already I have been unable to work at all since my daughter's health has regressed and has continually been regressing. I have been needing to give her my full care and be for her at all hours.

As a mother I have had to sit and watch my children suffer and go through all of their pain and trials Hashem has sent them. knowing that Hashem would only give them these things to build them up, to make them stronger, (and believe me, the things each and every one of my children have been through, no one should ever have to go through.) that He would never give something that no matter how difficult a challenge it will in the end only be good. I know in my heart, in the zechus of all their grandparents from two sides, the Bal Shem Tov, the Iszbitzter, and the Bais Yaakov, that my children will only learn and grow from all their trials in order to be there to help klal Yisroel in bringing Moshiach.

But still the pain as a mother of watching, even knowing, with only my tears and tephilos, is very difficult. I sit with the pain like the twisting of a knife in my heart, trying to be here the best I can for my children. To accept and love them no matter what they do. But unable to provide much of anything for them. Unable to provide, to prepare for them food which they love so much when they come home. Knowing that as much as I tell them I love them, that I'm proud of them, I'm always here for them no matter what, that they are my entire world. They still need a loving meal as well from their mommy. Words alone are not enough. Now when they come home, they have the smell of their favorite dishes, and they

smile, which lightens my heart each time seeing that smile, watching them enjoy their meal.

I have told them where everything has come from, how you are doing this tremendous chessed for such families in need, it's so important for them to see this, it opens their eyes to see that there isn't only pain from where they come from. There is chessed and so much more good, love and acceptance.

I have so much hakaras hatov for what you are doing, I thank you Hashem every time I shop, cook and watch my kids eat that He has sent you as this sh'liach to help my family and all the families you have been helping, you should be able to continue helping and as such I know He will most definitely bless with children that will be healthy and grow to be tzaddikim, talmidei chachomim, baalei chassodim, tznuahs, with chein and give only naches to Hashem, their parents and grandparents.

Your entire family should only know from simcha, brocha, parnassah, health in every way, hatzlacha and shmirah from Hashem.

If I may be so bold as to ask for the Rav to add the names of my children to any lists of tephilos there may be.

With all the hakaras hatov possible, Mrs.

Letter **0110** (E02.053)

To Rabbi Abraham Laufer shlit"a:

I am the Rebbetzin at the above address for over 50 years, B"H.

The Rebbe, my dear husband, was nifter six years ago. While I felt at great loss, one of the most important people helping me regain my balance was you, Rabbi Laufer. With your generosity for אלמנות, you helped me by providing me and my children with meat and fish for שבת ויום טוב.

Also, what I find so special is the way you handle and organize this special project with sensitivity and respect. Every order is delivered on time, the food is fresh and packaged professionally. I truly admire your heartfelt dedication to helping אלמנות in need.

I pray to Hashem that He bless you and your wife with gezint and you should be zoiche to have nachas from your children and grandchildren for many, many healthy years.

Letter **0111** (E02.060)

Dear Rabbi Laufer עמו"ש

I cannot thank you enough for your wonderful צדקה that you extended during the ימים טובים!

Your father ע"ה must have been a fine צדיק and as I always told my husband ע"ה, no one can do צדקה like Satmar!!

Everything was truly lovely and I was so happy to have a לולב and אתרוג to bentch on.

Thank you

My husband was a true גאון in learning and he was from old Williamsburg, one of the 'melachim'.

He passed away ערב פסח when CORONA was just at its worst.

He had cancer for 12 years but continue to learn and daven vasikin until Jan 2020.

Thank you again

L'kuved der Choshuve Askan And Ba'al Tzedukah Rabbi Avrohom Laufer

We were recently zocheh to Rosh Hashunah and Yom Kippur תשפ"ב, with menichas hanefesh and simchas hachaim, Burech Hashem. And, with hakures hatoiv to Keren Almunos and Yesomim, we were lavishly provided with the choicest selection of Fleish and Fish to grace our Yom Tov Tish.

As part of the 1,500 recipients of the Keren's Avodas Hakodesh, we also owe an enormous debt of gratitude to: V'kol Mishpachto

For their most thoughtful tzedukah and gracious acts of chessed. They became a shituf of the Ribono shel Olam Himself in being Masbiah L'Chol Chai Rutzon. And this malchusdige family should be gebentched mit alle gitte bruchos for all their mitzvos and maasim tovim.

In appreciation, we did recite a few kapitlach Tehillim for their gezint, mazel, brucha and harchuvas hadaas in all that they do. In particular, Kapital Kif Yud Beis for hatzluchah in all endeavors, describes this choshuve family and heiliger service to the community.

With the Yom Tov of Sukkos approaching, the Keren's most

thoughtful gift of hiddur Lulav and Esrog will, once again, enhance our simchas Yom Tov and mitzvah of Arbah Minim.

The Ribono shel Olam ensures the ongoing success of Keren Almunos and Yesomim through the lifelong dedication of Rabbi Avrohom Laufer and his esteemed mishpuchah. May they be gebentched with continued good health, simchas and nachas always.

K'vod Rav Laufer,

I wanted to take this opportunity to wish you and your entire family a Gut Gebentched Yohr. May Hashem give you a year of Gezunt, Parnassa, Naches, Zerah shel Kayama from all your children.

I would like to personally thank you for signing me up to receive chicken, meat and fish at in Being widowed for over 22 years, it's a tremendous help for me, as much as I am not comfortable taking – it gives me nachas ruach.

So be Gebentched.

Dear Rabbi Laufer,

Thank you so much for including me in this program at this difficult time in my life when I am still recovering from life

threatening illness.

Our Yom Tov and Shabbosim are enriched by the chicken and fish you provide. The lulav and esrog were just so beautiful and my son has been helping me out financially and would not have had such a nice set to celebrate the Sukkah holiday with if it was not for you.

לכבוד הרב אברהם לויפער שליט"א

and the Keren Staff

You cannot imagine how heartwarming it was to receive your phone call a few weeks ago and setting up our family to be part of this venture.

In addition to the practical, financial help it provides, which is needed, it means a lot to me to be REMEMBERED. We manage, we do a lot, we are like everyone else... but we are really not. And for REMEMBERING, this I am deeply grateful.

The Yearly Handbook is a brilliant idea. I have not purchased anything yet, concerned that it would be too much, too often or underserved. Your explanations took a weight off my mind as now I better understand the history of this Keren, its purpose and how it operates.

May you and your families be benched with gezunt, parnassa, nachas and kol tuv.

In appreciation

Dear Rabbi Laufer שיחי

I hope my letter finds you well.

Every time I think of starting my letter of appreciation to you, I stop myself and say that it is better to wait so that I will be less emotional.

But, no matter how much time has passed, my הכרת הטוב to you is just as strong as when I first receive your beautifully inscribed pamphlet that accompanied the equally beautiful סידור.

In truth, it is more than the סידור that prompts me to write you and thank you from the bottom of my heart for helping my family and I in the most generous of way.

It means so much to me, as you have truly enhanced my day to day and have made my Shabbosim extra special with your gift of fish, chicken and meat. Thank you!

I wish I was in a position to reimburse you monetarily for all that you do, or even give a donation somehow.

Such a ברכה was never given to me, but what I do have to give is endless ברכות to you and your family.

May הקב"ה reimburse you with חסד that only He can give. May your בקשות always be answered and may you be rewarded kindly for the חסד, the care and the kindness that you extend to גרושות, יתומים, אלמנות, and those in need.

Thank you again

Dear Rabbi Laufer, שי'

Thank you again for the wonderful meat and fish your organization provides for our family.

I recently hosted my children from out of town (which was a big שמחה, after 2 years) and was able to serve them lovely meals with your help.

We also had an enjoyable יום טוב and many happy שבתות.

I cooked esrog jam from the beautiful esrog you provided us for סוכות and it is bringing us great pleasure ב"ה.

Once upon a time my husband ע"ה was a גביר who helped many people. Now I can truly appreciate the joy he brought to others.

ישר כח – may you always be able to give.

Please thank all your sponsors for me.

Thank you again for the generous sponsorship of the meat

and fish which make such a big difference to our calm and well-being every day and especially שבת ויום טוב.

I continue to say תהלים for you and your sponsors שי' for בני חיי ומזוני רווחי in the best of circumstances.

Three years ago, with the loss of my husband, I was unfortunately added to your list of families.

Each year since then I have received your handbook and read through it.

B"H, I have parnassah and have not needed to order anything from your organization.

But every year, I get tears in my eyes just reading it and realizing how beautiful Klal Yisroel is.

Wishing you all a gezunte year, a kosherin Pesach and seyata d'shmaya to keep going.

To Rabbi A. Laufer, נ"י

We would like to extend a huge ישר כח for providing the meats, chickens, and fish which allowed us to have a true simchas Yom Tov, and allows us to have a menuchas hanefesh

for all the Shabbosim throughout the year.

Letter **0124** (E10.057)

Dear R' Avrohom Laufer and all those involved in this
unbelievable organization,

Ever since my husband suffered a very serious aneurism, life in our house has been very stressful in many different ways, as can be imagined.

All of a sudden, one fine evening, so much of that suddenly changed with a very special phone call from Reb Avrohom introducing us to this amazing organization he runs.

All of a sudden I'm not hesitating when someone asks if they can come for Shabbos like I used to. I can comfortably say 'yes' without that niggling nervousness inside me.

All of a sudden I'm not driving about a half hour away just to get salmon a little cheaper because my family really enjoys it 'l'kavod Shabbos'. (Although I try my hardest to go to the fish store Wednesdays when they have an 'in-store special' with a much cheaper price.)

I can sincerely say that since the day of that phone call, there's a new, calm feeling that settled in our family. I'm much more relaxed – which in turn makes the whole family more relaxed. Shabbos again feels special and looked forward to the way it should be!

All that is due to the unbelievable chessed of unbelievable people like you!

I daven and beg Hashem to bentch R' Avrohom and his family and all the supporters and people involved in this very special מצוה many, many times over – with children, shidduchim and all the best of everything.

And may you all be זוכה to be on the giving end always!

I would like to thank you and your generous sponsors for your kindness in enabling me and so many other families to

get their fleishig for the week. I also received a surprise ערב יום טוב with a beautiful לולב and אתרוג. Thank you so much for that surprise.

I did want to clarify, I remember you mentioned that the ratio between chickens and meat was 70/30 I think. Even though we do not buy meat so often, maybe שבת, the meat is obviously more expensive than chickens. Between cholent meat and a small meat product can cost at least double the chicken. Is that ok or is there an exact ratio/amount so I don't have to be concerned about going over.

Thank you so much, Mrs.

Note: the esteemed Menahel called up the writer saying that the family should place a generous order as much as needed. As to meat, the policy now says that 50/50 between meat and chicken is perfectly OK.

Letter **0172** (E12.002)

Dear Rabbi Laufer,

I just want to thank you for the generous support you are giving me not only for the whole year with meat, fish, and chicken for Shabbos but for Pesach as well. I was overwhelmed with the thought of how I would buy the other things also needed for Pesach when your letter with order form arrived. I have only been working part time since February after being quite ill for the last 10 months. It lifted

such a burden off of me to know I can make Pesach as usual for my family.

Thank you so much for helping others in such a dignified way.

May Hashem continue to give you kocho's to help others as you do. Despite all of the difficulty in the world right now, you and your organization have brought simcha to others.

Have a chag kasher v'sameach

Sincerely, Mrs.

Letter **0173** (E11.014)

Dear Rabbi Laufer, ש'י

Thank you and all your generous benefactors for your great help in providing us with fish and meat.

My children and family recently traveled here from overseas and we truly had a joyous visit ב"ה which was highlighted by the lovely meats I served. Having the family together whetted everyone's appetites for good healthful food. They don't have salmon in the country where my daughter lives, so it was a treat for her.

My child at home enjoyed it too, of course. I have a newlywed son ב"ה and am always able to serve him and his kallah nicely thanks to you.

The butcher store sends me the most wonderful chicken and meat, better than what I used to get. It warms my heart every time I think of your organization.

Heartfelt thanks and many brachos to you all!!

Letter **0178** (E11.007)

Dear Rabbi Laufer ש'

Thank you again for generously providing us with meat and fish for Yom Tov, and for the wonderful lulav and esrog.

My husband ע"ה once upon a time was a גביר who gave a lot of money to צדקה, ב"ה. He used to buy an esrog from one of the choicest esrogim which the Rebbe looked at but did not choose. I was accustomed to having the most מהודר esrog, as you can imagine.

When he became ill, he lost his business and everything changed for us financially. The outstanding lulav and esrog you provided for us therefore meant a lot to me – it brought back many good Sukkos memories and made them a reality for us once again this year. I wish I could wrap up the happiness and deliver it to you and your volunteers and supporters.

May you have all the ברכות you deserve for your kindness! I daven for you and all your people involved in this worthy cause (say תהלים).

Best wishes, Mrs.

Dear "Keren"

As a first tie recipient of your חסד I was overwhelmed. I can't thank you enough for all your organization did for me. I wasn't sure I would be able to make פסח on my own.

Once I received the order form and booklet I decided that I could and would make פסח and have my family as guests. A great weight was lifted from my shoulders.

The deliveries went like clockwork. The delivery workers refused tips saying it was their mitzvah.

Every step was respectful and pleasant.

Thank you for helping us through this difficult time. It is no easy accepting and adjusting to the loss of a loved one, but this organization helped us throughout it. You have enabled us to breathe while still figuring out the new acclimation we face financially.

This organization is a messenger from Hashem. You guys assist and aid orphans and widows when so many other wouldn't.

The Torah explicitly states that orphans and widows should be provided for and guided. You messengers have fulfilled that mitzvah.

May Hashem bless you all with health, happiness, parnassa, nachas and mazal.

Letter **0204** (E16.003)

Dear Rabbi Laufer עמו"ש and all the very dedicated staff

This thank you letter is already two months overdue, but please accept this nonetheless as if it was sent immediately with tremendous הכרת הטוב. There are not words of gratitude

and appreciation adequate enough to thank you for your efforts and מסירות and al you do on behalf of the families and especially the mothers who find themselves in situations they never could have even imagined or believed were possible.

One and a half years ago, when I got a gett two days after I was told I had to from R' Shmuel Kamenetsky, the shock and devastation was beyond excruciating.

My children and I felt like we had just experienced the פטירה of a tatty and husband without the shiva. It truly was such a tragedy for our family (and our community, as my husband was a very well-known who became very mentally ill and wouldn't get help).

I felt completely alone. With sole custody, no financial support, it was devastating. Besides which my husband was everything to us. I davened that ה' should see our צער and protects us like He would אלמנה, as that's how I felt.

When I heard that we would be receiving your tremendous חסדים – I felt like my תפילות were answered. You can't imagine how much חיוק it gave me.

And then when 24lbs of מצה were delivered straight to my house for פסח, all I could think and say was מכל החסדים – I am made small from all Your חסד, hashem.

Hashem should bentch you and all the supporters of your עבודת הקודש 1,000-fold!!!

Thank you!! Thank you!!

With the utmost appreciation,

Mrs.

Letter **0205** (E15.028)

לכבוד Rabbi Laufer,

It is now 2 ½ years since my husband's פטירה. I still feel the agony, the tremendous loss, and the overwhelming sense of despair.

Baruch Hashem, there are יחידים who understand and are sympathetic with the plight of the אלמנה. I remember the call I received from Rabbi Laufer. The generosity, compassion and consideration were soothing and reassuring.

Without my husband's income, I was totally clueless how I'd manage financially and how I'd be able to host my children.

Rabbi Laufer told me about the קרן אלמנות ויתומים. Baruch Hashem my children come for שבת and יום טוב.

I'm able to host them without דאגות, serving them fish, chicken, and meat.

Most amazing about the קרן is Rabbi Laufer's system of assisting אלמנות in a respectable and dignified manner.

My husband ע"ה was always helping others. Now as an אלמנה, being a taker is a very difficult adjustment.

Through Rabbi Laufer's הקודש, I am able to maintain a sense of self as well as remain the mother I am meant to be.

It gave us much chizuk to receive your inspirational booklet from Keren Almunohs v'Yesomim in Chodesh Elul. Once again, we are zocheh to look forward to the upcoming Yumim Nuroyim mit friliche hertze and ruigkeit.

What is the definition of an Eved Hashem? A true Baal Middos and compassionate Yid who, like the Ribono shel Olam, has a gefeel of chessed and rachmim for those who are needy and cannot take care of themselves. You, Rabbi Laufer, personify these hashkufos, and you are an emesdige shituf with our zeeseh Tatteh in Himmel in providing for more than 1,800 almunohs and their kinderlach.

Indeed, our Yomtov tischen will be bedecked with the finest of fleish and fish ,enabling us to enjoy the heilige taig b'simcha. And, when we bentch Birkas Hamuzon, we will certainly have the chosuve Laufer mishpucho in zin. As an added bonus, you have once again provided for the mitzvah

I want to express my huge thank you for bringing a true simcha Yom Tov and a feeling of Rachvus to my home.

Yom Tov passed so quickly - like a blur.

Maybe this is because there was less worry and more joy. Chasdei Hashem there was plenty of everything. If more guests showed up, I simply went to my boxes (or freezer) and there was everything I needed. I felt like a queen. It was wonderful.

I also want to add that the delivery was done very nicely. A very fine yingerman brought everything to my dining room.

... and thank you... thank you... for the most delicious matzohs!! It was definitely an added bonus to our Simchas Yom Tov!

May Hashem reward you for your kindness many many times over!

עמו"ש, Rabbi Laufer לכבוד

Many, many thanks for the חסדים you do for me and my children. You do your חסד in a way that makes us 'feel rich'!

I am afraid that I might have ordered or bought too much meat that I wanted to pay for but went on your bill.

Also, last week I bought fish that is expensive (by mistake).

Please take this donation and be מוחל me if I owe you.

Dear Rabbi לויפער and Keren Almunahs v'yesomim עמו"ש

Every Yom Tov is hard without my other half, and Shabbosim as well, but Pesach is the worst because my husband was נפטר the first day of chol hamoed, which was Shabbos.

Your caring and generosity are so appreciated.

May ד' bench you and everyone who makes this possible with שפע ברכה והצלחה, וכל טוב שבעולם.

You should always have continued health, success and prosperity and may ד' grant all your תפילות ובקשות לטובה.

Just want to thank the Rov and all of the Minadvim for their generosity. Rabbi Lofer and the Minadvim made my Yom Tov and Shabbosim so beautiful with all the wonderful fresh

fish and meat I was able to purchase. We really enjoyed.

B"H I was able to daven for the entire month of Tishrei. May the RBSHO give Rabbi Lofer and all the Minadvim gezunt, parnasah, nachas and kol tov.

Thank you so much.

Special thanks to all of the staff who work on this special chesed!

I am writing to express my boundless appreciation for the very generous קרן which provides my family with meat, chicken and fish and so much more.

Your astounding חסד enables us to enjoy so much in such a dignified manner, and with such abundance. Particularly as יום טוב approaches, my הכרת הטוב is truly heartfelt. Each time an order is delivered to my home, I think "מי כעמך ישראל".

In the זכות of the joy that you bring to others, may ה' שפע ברכה, בריאות, נחת, משפחה with you and your family. הצלחה ברוחניות ובגשמיות and tremendous שמחות.

I want to thank you again for all that you do for me and the other אלמנות.

Providing chicken and meat and fish is so helpful. I can go and not worry about the price or if I will have enough money.

Also, having my own לולב and אתרוג this year was amazing. I could say the ברכה each day which I have not done in many years.

Thank you so much!!

Thank you so much for the beautiful פסח distribution. The eggs, wine, מצות, vegetables, chickens and meat were and are top quality. Everything was done with such an עין טובה, such a חן - the סבר פנים יפות - calling to make sure the order was placed. The eidel delivering people... all contributed to a special atmosphere, a פסח on קדושה of רוח.

It felt so good to be able to provide the family who came for סעודות with a full home and heart.

It is a bit late however I have not forgotten. I want to express my huge appreciation for your help with the yom tov as well as year-round expenses. It makes a huge difference. Its that feeling between choking and knowing there's still a bit of fresh air to catch.

Or more simply said – it helped to keep the huge pressure off and to allow me to enjoy the yom tov.

May hashem reward you for your unbelievable kindness. Your life should be filled with brocha and you should be zocheh to see nachas from all your efforts.

Dear Rabbi Laufer and Keren Almunahs V'Yesomim, שי

Thank you so much for all the help that you and your organization have given and continue to give me and my family.

All of your support has helped take a lot of pressure off me and allows me to make Shabbos and Yom Tov beautifully.

The huge extra help for Pesach was amazing! The cases of fruit were delicious, the potatoes were very large that made peeling them so much easier. The oranges were so sweet and easy to peel. The matzahs, wine, grape juice and eggs and fruits and vegetable were all delivered right to my door. What a tremendous chessed! This was greatly appreciated!

The continued help of providing meat and fish weekly is another great chesed you are doing. I continue to daven for you and your family and all the contributors of your wonderful organization.

May you all be gibenchad with gezundt, parnossah, nachas, simchas, arichas yamim tovim, zivugim hagunim and children!

All the best!

Dear Rabbi Laufer and family

I begin with sending you all brachos of a gut kvittel, a gut gebentched yahr and kol tuv.

As someone who went through nine and a half years of waiting for the bracha of pru urvu, I finally was bentched with a bas yechida, b"h. I therefore felt the pain that you were suffering while watching your children wait for the same bracha.

My excitement upon hearing the wonderful ba"h news was heartwarming and so exciting and to begin the year with this

bracha made it even more special.

May you all be zocheh to many more simchas and much much yiddishe nachas from the new yingele and the rest of the family iy"h. To feel that it was our tefillos that helped is so meaningful and can only be a small bit of what I am capable of contributing in order to show my hakoras hatov for all the extraordinary things that you and your organization do on my behalf and those sisters of mine who make up the SAMCHAINU family.

I appreciate all the special people who contribute so much, and all they ask of us is to keep them and their needs in our tefilos.

May we, along with them, see a gut yahr and see the yeshuous and the bringing of Mashiach bimhera biyameinu iy"h!!!!

Mrs.

Letter **0246** (E10.092)

Dear Rabbi Laufer שליט"א

This is long overdue to say a heartfelt "Thank you" for all the help you give our family. "Week in, week out". I have the calm feeling of knowing that the fish and meat is paid for. Yom tov time is also so appreciated. (Actually, this past סוכות my boys decided that the arba minim for the girls was much nicer than theirs!)

May Hashem repay to you "Kefel Kiflaim".

There is no way that I can adequately express my humble appreciation to you for all of your help over the last few years.

The food items - meat, chicken, fish and extras go a long way in helping our family maintain our שמחה and מנוחת הנפש.

For me personally, the ימים טובים are especially challenging without my husband ז"ל, and being able to happily and comfortably provide for my children (and myself!) help us go into this תקופה with שמחת יו"ט that he (and He) would want us to have.

May 'ה bentch you with a כתיבה וחתימה טובה, and in the
