פס"ד

לכבוד ר' לויפער,

When I lost my husband 2 year's ago I was filled with despair and sadness. My husband had taken care from finances to all the things that were needed in the house.

My Kinderlach didn't have a Tatty Should they also not have Chicken/Meat for שבת ויומטוב and through out the week? Not long after I received a phone call from R' Laufer who immediately took the burden off me. This brought [illegible] into my home because I can order as much as I need without a worry. We're so grateful that it's done

To RABBI Lauter שליט"א,

I WANTED TO WRITE THIS THANK YOU LETTER FOR A FEW MONTHS - BUT I FOUND IT VERY DIFFICULT, BECAUSE I AM THE ONE WHO IS IN NEED OF YOUR GREAT זכות.

MOST OF MY HUSBANDS LIFE HE WAS KNOWN as a בעל צדקה וחסד, which He did WITH ENORMOUS אהבה, BUT THEN EVERYTHING CHANGED BECAUSE AT 43 YEARS OLD. HE BECAME SICK AND FOR THE NEXT 18 YEARS HE SUFFERED WITH KIDNEY FAILURE, TRANSPLANT, MANY COMPLICATIONS, AGAIN KIDNEY FAILURE, HE LIVED IN MANY HOSPITALS TAKING ALL THE טיפול. HE DIDN'T COMPLAIN. BUT WE LOST EVERYTHING. HE WAS חולה. THE THING HE KEPT WORKING ABOUT WAS THE איך I WOULD HAVE TO DEAL WITH.

RABBI Lauter, —> כשהקדוש ברוך הוא GAVE YOU THE SPECIAL UNDERSTANDING THAT COMES WITH BEING A HUGE שומר OF HOW YOU CAN EASE SOME OF THE UNFORTUNATE SITUATIONS

[over]

that people have to deal with when their whole life changes so much.

UNTIL I WAS ENCOURAGED TO REACH OUT to you & your INCREDIBLE ORG I very, very, RARELY Bought chicken - meat - Fish. Now you made it possible, It is NEVER Easy OR comfortable TO KNOW I AM ON THE TAKING END. OF COURSE I'm ALWAYS ASHAMED, Even though it is done with so much גאווה. You most definitely exemplify אחדות בעם IN WE ALL HAVE SO MUCH TO LEARN FROM YOU. [illegible], should give you the STRENGTH TO CONTINUE TO BE THE ONE TO HELP Others IN THEIR SAD & STRUGGLING DAYS. You & Your Team SHOULD NEVER HAVE TO FEEL WHAT IT IS LIKE TO BE IN OUR SHOES.

WITH ENORMOUS הכרת הטוב, I THANK YOU SO MUCH FOR EASING THE VERY HARSH BURDENS OF OUR DAILY LIVES.

Be Gezunt Be gebenched Always

Mrs [redacted]

Dear Rabbi Laufer,

My heartfelt thanks to you and everyone involved in your organization for your great generosity. When I first found out about Keren Ahronos, I was shy about signing up, but I did. After I shopped the first time, I was relieved at the big difference it made in my grocery bill. Also, I had been buying small chickens in order to save money. This time I chose a larger chicken and the meat was so much juicier and more flavorful. Or maybe that was just my imagination? Did it make the chicken taste better in your eyes? I don't know, but your work is very wonderful. My son was surprised and so happy that I bought steak for him and my daughter enjoyed the chicken cutlet.

May Hashem shower His blessings upon you all. And may He bring the Moshiach right away so you can close Keren Ahronos and we can all rejoice together in Yerushalayim.

Best wishes —

Dear Rabbi Lapin w/ "Honorary"

As I sit here at my kitchen table, Thursday afternoon my tears are rolling down heavily. I benched to our loving father in heaven for adding one more delicious "Heimishe" food to eat in such a tragic time for me. I thanked him from the bottom of my heart over and over that I don't have to count the bites I eat or beg anyone of my terrible plight like in

When I finished my Beatching I said I must send a thankyou note to the "Hidden Malach" who is behind the scenic D.D.B & enable me to feel like a normal Person with dignity & go into a store. & buy some food for me & my 2 sick daughters. 3 & 1/2 years ago my husband became suddenly critically ill from one minute to the next He was a Vegetable these 2 1/2 years and he passed Aug 6 weeks ago. I have lost ever friend I had now

And with the Corona virus all offices were shut down. I cant even pay my rent! Had I not gotten what you give me I would not be able to have a meal at my table. And I would Never beg or tell Anyone. We unfortunately dont have much family & Nobody ever asked these 2½ years how I'm Managing financially? And I never

bring it up & leave it to the Lord & help me. And He send you the ANGEL to help us!
The Zechuis are yours & only our Loving Father in Heaven Can pay you Back for Helping Almanos and sick yeoomin like my daughter! As I finish writing my tears are blended by the Way you are helping me!
I can't thank you enough!

Besides the financial help, of course, you are Mechazek me so much -- to know there are Yidden who don't even know me and care about me, my family and how I will make Yom Tov! I do have the names (from various letters from Rabbi Loeffer) and do daven for them. I keep them near my siddur. The RBSHO should hear my Tefillos.

I am the [redacted] Rebbetzin at the above address for over 50 years, B"H. The Rebbe, my dear husband, was nifter six years ago. With your generosity for אלמנות you helped me by providing me and my children with meat and fish for שבת ויום טוב .

Also, what I find so special is the way you handle and organize this special project with sensitivity and respect. Every order is delivered on time, the food is fresh, and packaged professionally. I truly admire your heartfelt dedication to helping אלמנות in need.

I pray to HaShem that He bless you and your wife with gezint and you should be zoiche to have nachas from your children and grandchildren for many, many healthy years.

First of all, thank you the fleish and fish that I can order throughout the year. Unbelievable!

Thank you for the wine and grape juice that was delivered straight to my house (!!) yesterday L'Kavod Pesach. Your Chesed is done in such shayna oifen, amazing!

I am not making Pesach this year so I did not make an order for fleish or fish or place an order with the Keren. But I know that if I needed anything Rabbi Loeffer would be there for me.

May the RBNSHO pay Rabbi Loeffer, staff, and Menadvim back and bentch you all with GEZUNT, NACHAS, PARNOSAH, and KOL TUV.

Have a Kosherin, Simcha-dik PESACH.
Thank you again for EVERYTHING!

To Rabbi Laufer,

First, I want to thank you for the Keren's support and peace of mind all year. Your zechus is certainly immeasurable.

I want to take this opportunity to apologize for ordering more than the 50% limit of beef for Yom Tov. I hope I wasn't doing this all year. Since I place my orders over the phone, I am not so familiar with the prices of different types of meat, and I had no idea how high my total was.

I looked over my receipt from my Yom Tov order and calculated the totals of chicken/turkey and beef, and I saw I was way over the limit. I am holding on to this receipt so that I will know the prices for future orders. I apologize again for my ignorance.

May you be gebentched with good health and an abundance of nachas and prosperity.

Sincerely,

Thank you!

We were recently zocheh to Rosh Hashunah and Yom Kippur פשת"ב,with menichas hanefesh and simchas hachaim, Burech H-Shem. And, with hakures hatoiv to Keren Almunos & Yesomim, we were lavishly provided with the choicest selection of Fleish and Fish to grace our YomTov Tish.

As part of the 1,500 recipients of the Keren's Avodas Hakodesh, we also owe an enormous debt of gratitude to:

for their most thoughtful tzedukah and gracious acts of chessed. They became a Shituf with the Ribono Sheil Olam Himself in being Masbiah L'Chol Chai Rutzon. And, this malchusdige family should be gebentched mit alle gitte bruchos for all their mitzvos and maasim tovim.

In appreciation, we did recite a few kapitlach Tehillim for their gezint, mazel, brucha and harchuvas hadaas in all that they do. In particular, Kapital Kif Yud Beis for hatzluchah in all endeavors, describes this choshuve family and their heilige service to the community.

With the Yomtov of Sukkos approaching, the Keren's most thoughtful gift of a hiddur Lulav and Esrog will, once again, enhance our simchas yomtov and mitzvah of Arbah Minim.

The Ribono Shel Olam ensures the ongoing success of Keren Almunos & Yesomim through the lifelong dedication of Rabbi Avrohom Laufer and his esteemed mishpuchah. May they be gebentched with continued good health, simchas and nachas always.

I first want to thank you for the beautiful siddur that you sent in Elul. I use it all the time.

I also want to commend you on the wonderful work that you do. I do not have an account with you but had you been around years ago when I had a large family at home, I would have appreciated your service.

You put a card in the siddur to ask us to daven for children for your son. I have been doing that regularly. But now I have to ask you if you would be mispalel for my daughter and her husband for children. My daughter was not even six years old when my husband was niftar. She grew up without a father. Now she has the נסיון of not having children. Remember כל המתפלל בעד חברו והוא צריך לאותו דבר הוא נענה תחילה.

The couple's name is [redacted] and [redacted]. Please do not publicize. It is for us to daven for each other's children.

May הקבה shower you with brochos in the merit of what you are doing for the almanos and may we be זוכה to hear בשורות טובות בקרוב.

I am writing this letter in English because my ability to write in Yiddish is not good and I want to express a little bit of what is in my heart. The ברכת הטוב I have to Rav Laufer for being אמ"ש and עוסק with the Keren Almanos V'Yesomim.

I approach Shabbos without the worries of how I can have the basic chicken, fish and meat that make the "מעלזשן" of Shabbos and are the big expenses of Shabbos. My Kiderlach enjoy the cholent and we even have left-over chicken for Sunday night's supper!
I usually make my chicken soup with the chicken bones, but now I also put in some boiled chicken as well. That, with the vegetables in the soup, is another meal.

May the רבונו של עולם bentch you and your mishpocha with a שפע ברכות והצלחה בכל מעשי ידיכם

and thank the Eibishter for the g'bentched שליחים that were chosen in this world. The רבונו של עולם should bentch הצלחה, ישועות, רפואות וישועות to the entire mishpocha Laufer. Many people may understand and be sympathetic to families going through difficult situations; but אתה עליתה על כולם. My husband a'h was sick for a number of years. My wonderful g'bentcht kinderlach were always by his bed, married and unmarried at that time. Sons as well as sons-in-laws They never left their Tatteh a'h alone.

My financial burdens have been many and when my friend, also an אלמנה , told me of Reb Laufer (should be gazunt & shtark for לאריכות ימים ושנים) and his help to make a Shabbos tish with fish, chicken and fleish for cholunt, I was very moved ! !! מי כעמך כישראל.

But it still took me 2 months to get the courage to call. I have never been at home alone for Shabbos. I always have some of my married kinderlach coming, keeping it a Shabbosdik atmosphere. You have truly beautified my Shabossim בהדור ; and m'kayem "יתום ואלמנה יעודד". And I feel the chiyus in being able to cook a Shabbos and yom tov with family around me.

A mamma and a tatteh make a home and a family. When the family unit and the שלמות of the bayis is הסר , everyone feels it. The wife, sons, and daughters; each in their unique relationships feel the vacuum of the Tatteh עליו השלו-ם; not by the table on Shabbos & Yom Tov, in shul, at home….

I thank R' Laufer for the many hours of effort you put in to help out in such a mechubadik oifen. And for the thought and consideration you put into those hours.

הרבונו של עולם ישפיע שפע ברכות על הנדיבים החשובים ר' יוסף ארי' בן שרה חי' וזוג' בלימא בת מרים וכל משפחתם בבריאת הגוף ואריכות ימים טובים ואושר ועושר יתאגדו על שלחנם תמיד. וכן כל צאצאיהם יתברכו ב-זיווגים הגונים ויבנו בית נאמן על יסודות של קדושה וטהרה עושקים בתוו"ה ובמצוות מתוך יראה ואהבת ה'. וכן יראו ברכה והצלחה בכל מעשי ידי-הם בלי שום צער ועגמת נפש.

In the 4 years since my husband was niftar (& the few years before when he was in and out of the hospital), bringing Pesach into my home was a stressful, worrisome burden.

This is the first year that I can hold my head up & not worry and stress that I won't be able to make a כזית מצה for my children! Just the fact that after כל זה I will be able to breathe normally without financial ~~stress~~ is a miracle.

In light of all that you do, may ה' bless you & your family with בריאות, אושר, ושלום

We love the booklets you send with the names to daven for, it makes things feel so special knowing you want us to daven for those names. When we daven by the shabbos candles we always daven for you and by nishmas kol chai, and when we walk in and out of your store.

Dear Rabbi Laufer and Pesach Staff and Volunteers, ת"ח

There are no words to express the Hakaras Hatov I have for the help the Keren provided over Pesach . (This in addition to the rest of the year.) I am sure that each and every one of the recipients feels exactly the same way . In addition to the financial help provided, the Keren helped in many other ways. Especially this year.

I am a fairly new almanah, 3 months at the time of the delivery . This then was my first Pesach experience alone and with a new title. The items delivered cannot be purchased too much earlier and the deliveries sometimes so close to Yom Tov are harder to get in a timely manner . But at the time of the delivery I wasn't even leaving the house for safety. Your help was a real lifesaver.

The nicest yingerman and his sons came in with a smile and continued to smile even while schlepping the heavy boxes.

And then suddenly, I didn't feel so alone. The caring and concern overwhelmed me. Then the yingerman gave me an envelope. I told him it wasn't for me, and he said take it , this time of year everything helps. And it did , the next day it helped me with the matzhos.

I cannot begin to imagine the time and effort it takes to coordinate this massive undertaking and how the Keren is so carefully orchestrated to treat everyone with a sever panim yafos and with extreme kovod and dignity. The zchussim of your unbelievable efforts perpetuate the chessed of your parents' and continues their life's work in the most beautiful way possible.

Hi hope all is well,
I wanted to take the opportunity to thank you all for all you do for me and my family.
I'm Baruch HaShem a mother of six children and my husband was niftar almost 2 years ago.
I cannot even describe the warmth I feel every Thursday when I pick up meat and fish from your store.
The feeling of being able to feed my family in a respectful beautiful manner is truly indescribable. You allow me and my children to feel like nothing is lacking, we can prepare food as if Abba is still home with us. This feeling of security and calmness is truly a gift from Hashem.
I am so grateful for each and everyone of you who make this happen.
I daven for you everyday that you should continue to be able to give.
Continue to be able to make people's lives happier. May Hashem bless each and everyone of you with siyata dishmaya, Complete health, true happiness, clarity, hatzlacha, nechamot, and yeshout in all areas!
Thank you so very much for everything,

יום חמישי פרשת נח

L'chvod Rabbi Laufer שיחי',

It is now a week since yom tov and the beautiful memories of being surrounded by my children and grandchildren still linger. It is my honor to share these warm feelings with those that made this wonderful aura in my home possible.

Although my children came in the past I was always tense about the bills. Very tense! I could feel a tremendous relief in the way I personally experienced yom tov knowing that a huge part of the expense is being covered. It was an awesome feeling!

The Lulov and Esrog were a huge blessing too! It got a lot of use!! Thank you!!

A huge thank you to your donor as well. May the Rebono Shel Olem look down and see the joy this gift brought in bringing parents and children together to celebrate yom tov and reward him likewise to see his son surrounded with the blessing of his own beautiful children.

May Hashem hear our tefillos and reward you with good health and hatzlocha to be able to continue in your Avodas Hakodesh!!

Dear Rabbi Laufer,

I want to thank you again for all that you do for me and the other נשים. Providing chicken & meat and fish is so helpful. I can go and not worry about the price or if I will have ~~to~~ enough money.

Thank you so much!

I am sorry that I am not fluent enough to write this letter in Yiddish which would be more appropriate, but my words are דברים היוצאים מן הלב .

Your Keren Almanos V'yesomim has been such a hatzolah for me and my family. I only buy meat for chulent but that is so nice kovod Shabbos kodesh. We all appreciate the chicken as well as the fish which is all provided in a mechubadik way with a סבר פנים יפות .

L'chvod Rabbi Laufer,

I want to express my huge thank you for bringing a true simchas yom tov and a feeling of Rachvus to my home. Yom tov passed so quickly - like a blur. Maybe this is because there was less worry and more joy. Chasdei Hashem there was plenty of everything. If more guests showed up I simply went to my boxes (or freezer) and there was everything I needed. I felt like a queen. It was wonderful.

I also want to add that the delivery was done very nicely. A very fine yingerman brought everything to my dining room.

..... and thank you..... thank you....for the most delicious matzohs!! It was definitely an added bonus to our Simchas yom tov!

Dear Rabbi Lauffer שליט"א

I must write to you to thank you from the depth of my heart for the gift of dignity and abundance you are gifting my family with on a daily basis.

My home is running בס"ד as usual with regard to the delicious and wholesome Suppers I cook for my family in abundance with fresh, high quality ingredients that we were always used to.

In fact my 8 yr old son turned to me recently + said "Mammy I know I'm a פלא - but I don't feel like one - we בס"ד have plenty food + drink + we're happy..."

I credit his perception in part to your amazing organization that reached out to me in the earliest days of my loss.

Before I could think of the days ahead + how I would manage financially + otherwise

I was very reluctant to accept your offer + was afraid of the loss of dignity to myself and my family.
But your wonderful organization are giving צדקה in the most dignified + elevated way - with tremendous discretion + so bautiful, based on each families' needs.

It is truly the most ראוי way of giving צדקה.

May you + all the generous benefactors of this organization be זכותם with only שמחה, אהל + גיגרד.

And may ה help that this organization gain no more new members!

With much gratitude + respect.

Dear Rabbi Laufer,

Thank you very much for the opportunity to feel the [illegible] in ordering fish and meat for [illegible].

I admit, I am still embarrased, especially since I need to ask [illegible]. I saw a wonderful recipe in the "Monsey View" for a stuffed veal pocket. So I ordered a veal pocket! Little did I know that it was bigger and more expensive than anticipated! What I thought would make a real [illegible], brought me to feel guilty instead. [illegible], I will try to be more careful and ask prices first. Of course, I learned a lot from this experience.

I got a call from you tonight inquiring why I was not using my account to buy fish. I was so inspired by your drive to do חסד in such a beautiful way & felt so warmed by your care and concern. My family is going through a very hard time right now, because I have a grandson (בן בתי) who is sick. When I got your call I felt that although I don't understand ה"ש reasons, I know that ה' is taking care of me.

I usually have a big crowd for יו"ט. Meat & fish was always a big expense. Because of your generosity I can enjoy cooking and hosting my children for יו"ט & שבת without worry. I received your outline and guide regarding the special Pesach distribution that you are זוכה to be in charge of.

As an אלמנה (with two still single daughters), I could easily qualify for your services. However, although I am not wealthy by any means, I can ב"ה provide for myself and my family as necessary.

The work you are doing is very impressive, not only in its scope, but also in the organization and firm guidelines. Satmar is renowned for its hospital visitation and food programs – as I have personally witnessed when in NY hospitals in past years. What you are doing for Pesach is almost beyond human capacity, yet done with such competence and with amazing כבוד הבריאות .

Even though this was not a fund-raising mailing, I am moved to contribute a modest amount to this year's קמחא דפסחא .....
There, but for חסדי השם יתברך, go I—so, in the זכות of being נושא בעול עם חברו, I pray Hashem continues to bless me so that I can remain independent, and that my daughters should find זווגם הגון בקרוב

L'chvod Rav Laufer,

We would like to express our tremendous appreciation for the amazing Chesed that your organization does for Almonos. Our Teiere Mama, Mrs. [redacted], a'h, was a recipient of your Chesed for the last few years. The fact that she was able to make her homemade gefilte fish (which she wouldn't have fargined herself to buy), made her feel so special and proud. The chicken and meat that you sent her also let her feel like a breite mama. The way that you provided this free fish, chicken and meat was also so bakovodik. All she had to do was make a phone call and it was delivered to her door!

Our mother was niftar on Chol HaMoed Pesach, so please remove her from your mailing list.

May the Eibishter bentch you and everyone involved in this special Chesed with gezunt and ales guts! We should be zoche to Moshiach very soon so that there will be no need for this Chesed anymore!

With much gratitude,

Rabbi Laufer, שליט"א

This letter and enclosed check are long overdue.

In October, the night before Yom Kippur, my doorbell rang and someone handed my daughter a lulav and esrog. She quickly asked me if I had ordered it and when I said "no" she tried to return it to the man at the door, telling him there must be some mistake, and it is probably meant for someone else (there was no name or address on it). He insisted he was correct, and left her at the door with what turned out to be a very mehudar lulav & esrog set!

I was still so sure it was given to us in error that I had her call the phone number on the label. I don't know who answered the phone, but the gentleman only spoke Yiddish, which she doesn't. It was bashert that I had a neighbor in the house at that moment who does speak Yiddish & he got on the phone. From his end of the conversation, I began to understand why the set was delivered to me, although I am not signed up with your Keren as a recipient for any food or other assistance.

While I usually purchase my own set every erev Succos, you had no way of knowing how welcome your "gift" was this year... because at the very time it arrived I was sitting shiva for my sister a"h and was mentally trying to figure out how I would have the time to buy it after Yom Kippur.

I (and my daughter) used the set with pleasure this past Succos, and I had in mind the entire time that I would send in a donation to your amazing organization. I'm sorry that it took me so long to get to it, but I hope that the enclosed check will help in your work and show my hakoras hatov.

Although I wish the amount could be greater, as an elderly almanah living on a fixed income, I am B"H able to support myself and even help my children a bit, but unfortunately cannot become a major donor—although I greatly admire the work you are doing in such a bekovadika way.

May Hashem grant you the strength to continue עמו"ש

To the Laufer family,

This letter is to thank you for the beautiful lulav and esrog I received from your family. This year, I never had to buy my own and after my husband was niftar I sent to my children.

In the summer of 1958, I went to visit Israel wherever I went, someone tried to sell me an etrog. I finally answered that in America, the etrog is for the father to buy his own etrog.

This year, however, was different. I sent to my children for yom tov, but getting it was going to be a problem. But, because of your generosity, it wasn't.

May you always be zocheh to enjoy the opportunity to do so.

Sincerely,

Therefore, I'm enclosing a check for the estimated cost of the chop meat that I used.

Dear Rabbi -

Thank you for being here for me
It makes me feel good to know I don't
have to worry if I have no money for
cheeken for Shabbos. I have a problem
how now I order salmon (used to always
buy one piece for my son + myself) when
it cost so much money + I can ~~eat~~ ~~these~~
open + eat a can of tuna fish. I don't
think I am being fair to spend some-
one elses money. I am just as happy
with tuna as long as I have fish. I
am having trouble adjusting to my
new role in life.*

Again I am greatful to know you are
here for me (us) may you all be
blessed to never have to worry about
money. May we all be zocher soon in
our time for the geula May all the

Dear wonderful, incredible, helige Sheluchim of HaSh-m,

Please be moichel me for not writing sooner. I have the spectacularly beautiful lulav you sent us, in front of me. The absolutely perfect esrog was given over, to continue your chain of mitzvos, to be made into esrog jelly.

I do not have the words. When my Mother and I opened the door to receive the magnificent arbah minim last Succos, we thought it was surely a mistake. We said, no this must be for someone else. Who would send us such a thing?

Then we were told, no it's not a mistake, it was sent to us specifically, as well as other women who are alone. We were floored. Who would spend this kind of money on people they do not even know! Of course, the answer, as it always is, is Yidden! The children of HaSh-m that spare no expense in ensuring that those that are unable to glorify HaSh-m's mitzvos, can still participate in them, in a dignified and simchadik fashion.

And for it to come from those who do not even know us, is mind boggling. All HaSh-m wants from us is to love one another, regardless of our position, as the father of the Baal Shem Tov ingrained into his son. I named my only child, Layvi Yitzchak, so he too would, beH, have this noble trait, of loving all Yidden.

My Mother has been a widow for many, many years, and I am an agunah for 19 years. BH an infinite number of times HaSh-m let me have the great brocho of having a child before "it" all began. So I am blessed more than many, who r"l cannot even have children.

My Mother lives on social security and I am, [redacted] because I want you to understand what you did for us. You didn't just send us the least expensive arbah minim, you sent us the MOST EXQUISITE set I have ever had the brocho to see!!!! I wish I could have preserved them forever!!!

In your z'chuss and in the z'chuss of the Holy Neshamos you did this extraordinary mitzvah for, may HaSh-m please give you and your families, EVERYTHING you need to serve Him easily and with GREAT SIMCHA! And with refuah shelaima, with easy and excellent shidduchim, with easy and applied learning, with z'chuss in this world AND in Olam Habbah and brocho and hatzlacha rabbah in absolutely EVERYTHING!!!!!

With boundless hakores hatov and great ahavah,

So when they come for שבת or suppers there is always something delicous for them, one Son told me "Ma I came for some meat for שבת do you have any?" that week I actually didnt but the next week I did B"H he actually had a seuda for that שבת meal & thanked me with a hug & kiss. Being in a posistion like mine is extremely hard & sad sometimes but this incident made it seem & feel diff he now comes everyweek for some שבת food. This is in all the credit for your org. To: R' Aurohom Laufer and all those involved in this unbelievable orginisation,

Ever since my husband suffered a very serious aneurism life in our house has been very stressful in many different ways as can be imagined. All of a sudden one fine evening so much of that suddenly changed with a very special phone call from Reb Aurohom introducing us to this amazing organisation he runs. All of a sudden Im not hesitating when someone asks if they can come for shabbos like I used to. I can comfortably say "yes" without that niggling nervousness inside me. All of a sudden Im not driving abouta half hour away just to get Salmon a little cheaper because my family really enjoys it "Ikavod shabbos". (Although I try my hardest to go to the fish store wednesdays when they have an "in store special" with a much cheaper price). I →

can sincerely say that since the day of that phone call there's a new calm feeling that settled on our family - I'm much more relaxed - which in turn makes the whole family more relaxed. Shabbos again feels special and looked forward to the way it should be! All that is due to the unbelievable chessed of unbelievable people like you!

I daven and beg Hashem to bentch R' Avrohom and his his family and all the supporters and people involved in this very special מצוה many, many times over - with children, shidduchim and all the best of everything. And may you all be מוכן to be on the giving end always!

Dear Rabbi Laufer:

I wanted to write a letter to express my appreciation to you for all of the amazing help that you have been providing. When my husband passed away there was so many new challenges that I had to face. Having someone who was able to step in and assist me when there was so much uncertainty has been a true Brocho. Words are not enough to truly express all of the gratitude to Hashem for this kindness and help. I also really appreciate all of the mailing and letters that you have sent out. I thank you truly for everything. I am certain that all the other people that you help experience the same amount of relief and support that you have been providing to so many people for so long. There is so much that can be said about a person who unconditionally and altruistically dedicates their life to helping so many going through so much pain and hardship. This letter does not fully do a justice in expressing just how grateful I am and what this has meant for me. I wanted to express this to you and therefore I decided it would be best to try and compose a letter that would in a small way scrap the surface of my appreciation.

I should have written this letter a long time ago but somehow I was never able to actually put my thoughts into words. I wish I was able to write this in אידיש but I feel like I wouldnt be able to properly express myself.

As someone who was the one helping others - always having company, sending meals to others who needed it. etc. I can't explain what it feels like to get divorced and all of a sudden not even having enough to provide food for my family. I heard about the Keren but I was embarrased in the beginning to reach out. I didn't want to feel like a "nebach". Until I had no choice.

From the first phone call, I was treated with tremendous respect. The nice order, the אופן for סדרה, every time I make an order in the fish store or at the butcher. I am never made to feel like a taker.

You can't imagine what it means not to have to knock on a neighbor's door and as to פרנסה on their שבת table, not to have to figure out how much מעות I can actually afford. I found out at the last minute that I need to make a שבת סעודה for my son's בר מצוה. Thanks to the Keren I was able to make a beautiful מכובדת meal. The main expense of fish & chicken was taken care of.

I daven that at some point I will no longer need help and that I will be able to help be a sponsor of this unbelievable גמח.

May Hashem bless you and all the people who help you with only ברכה and סייעתא to continue to help כלל ישראל.

Dear Rabbi Laufer & to the entire Kerem family,

Coming home today after work, dark & cold outside, I reached into my mailbox to retrieve "Today's" mail. Sometimes I worry, sometimes I wonder, what is coming my way today? Is it a sweet thank you card from a Bnei Mitzvah Bochur for a gift that I sent sometime ago? Or is it perhaps a BILL? Electric company, Verizon, water company, insurance, I scan the mail .... looking for something personal, something showing me directly how Hashem is surrounding, protecting & taking care of my every need.

"Ein kemach ... Ein Torah" Your illustrious pamphlet has the spot at the Top of my mail pile. To open and feed the loving and inspiring & overflowing of Chesed Booklet. I read every word and take it in like Hashem is speaking to me directly through you. My coiffures are filling up by the words and the mission of the "Kerem Almunah V' Yesonim.

I feel like a princess, a bas melech a privileged member of Klal Yisrol - an am Kodesh and an am of Chesed.

You truly personify Hashems middah of giving, giving and giving .... of unbridled Chesed just as Hashem loves and constantly gives to His children .... So do you! I am eternally grateful and proud to be a member of your Kerem Special family! Warmly with Hakaras Hatov,

MRS.

I thank you for the thought of making sure the Almanacs have fish & Meat. I was wondering since I am in Crown Heights if I could use the Crown Heights grocery store for fish and meat and let me know how I could used Because, I use the Borough Park fish & meat store fish on 48 and Meat on 53rd New Utrecht but it is hard to get there and I buy for once a month or should I just buy once a month for the fish and meat in B.P. I would like to do it here in C H though

Also I think somewhere on the letters you send us should be either phone number or address

You should go from Strength to Strength in all you do.

Dear Rabbi Laufer,

Thank you again for the wonderful gift of fish and meat that you provide for the שבת. It has been a terrific help to our family בס"ד, and I look forward to preparing for יום כיפור and the holidays this year תשע"ב.

I am saying תהלים for your children who are waiting for the זכות of children. I also say תהלים for them after שבת on Friday night.

I wish them all the ברכות, and even more!, that I personally experienced. I didn't get married until I was 30 years old, and then the months went by and nothing was happening. My first child was born when I was close to 33 years old בס"ד, and I was זוכה to give birth to six healthy children בס"ד. I tell you my story to give you and your family encouragement. אין כח כזה מלמעלה, and you should see this clearly in the new year with your own eyes — healthy, wonderful, heilike babies! כתיבה וחתימה טובה, לשנה טובה ומתוקה —

Dear Rabbi Laufer,

Thank you again for generously providing us with meat and fish for Yom Tov, and for the wonderful lulav and esrog.

My husband ז"ל once upon a time was a גביר who gave a lot of money to כולל חב"ד. He used to buy an esrog from one of the choicest esrogim which the Lubavitcher Rebbe looked at but did not choose. I was accustomed to having the most הידור esrog, as you can imagine. When he became ill, he lost his business and everything changed for us financially. The outstanding lulav and esrog you provided for us therefore meant a lot to me – it brought back many good Sukkos memories and made them a reality for us once again this year. I wish I could wrap up the happiness and deliver it to you and your volunteers and supporters. May you have all the ברכות you deserve for your kindness! I daven for you and all your people involved in this worthy cause (say תהלים). Best wishes, Mrs. [redacted]

Thank you and all your generous benefactors for your great help in providing us with fish and meat. My children & family recently traveled here from overseas and we truly had a joyous visit שליט"א which was highlighted by the lovely meals I served. Having the family together whetted everyone's appetites for good, healthful food. They don't have salmon in the country where my daughter lives, so it was a treat for her. My child at home enjoyed it too, of course. I have a newlywed son שליט"א and am always able to serve him and his kallah nicely thanks to you. The butcher store sends me the most wonderful chicken and meat, better than what I used to get. It warms my heart every time I think of your organization. Once the eineclach get married they are ב"ה so busy that weeks can go by without seeing them. This way, because of your keren, I can know that we will see each other over a salmon or chicken dinner in a relaxed, loving way. ב"ה Because they come to my apartment we have that private time together.

Your hard work and unmatched kindness has relieved me of a huge burden. You have lightened my worries and made my life much easier.

May Hashem Bentch everyone involved in this tremendous chesed with brachas, hatzlacha, nachas, shalom and gezint!

I also want to ask about the wine order for Pesach. What size are the bottles and which ones are mevushal?

Also, one of the yesomim has diabetes and needs the driest wine. Do you know which would be best for him?

Lastly, I think we may have ordered too much matzah and would like to change it from 40 lbs to 30 lbs.

Thank you so much again!

Then he called back to convince me to get eggs, potatoes & grape juice. I have no words for the kindness & generosity! I was so excited that I immediately ~~planned~~ made a menu & decided to try after a long time to make a really good potato kugel! Plus I'd been putting off cleaning my freezer & now I'm doing it מתוך שמחה!

I did want to clarify. I remember you mentioned that the ratio between chicken & meat was 70/30 I think. Even though we do not buy meat so often maybe חצי, the meat is obviously more expensive than chicken, Between Chobnt Meat & a small meat product can cost at least Double the chicken. Is that OK or is there an exact ratio/amount so I don't have to be concerned about going over. Thank you so much.

Dear Rabbi Laufer שיחי',

I hope my letter finds you well.

Every time I think of starting my letter of appreciation to you, I stop myself and say that it is better to wait so that I will be less emotional.

But, no matter how much time has passed, my הכרת הטוב to you is just as strong as when I first received your beautifully inscripted pamphlet that accompanied the equally beautiful ספרון.

In truth, it is more than the ספרון that prompts me to write you, and thank you from the bottom of my heart for helping my family and I in the most generous of ways.

It means so much to me, as you have truly enhanced my day to day and have made my Shabbosim extra special with your gift of fish, chicken and meat. Thank you!

I wish I was in a position to reimburse you monetarily for all that you do, or even give a donation somehow.

Such a ברכה was never given to me, but what I do have to give is endless ברכות to you and your family.

May הקב"ה reimburse you with טוב that only He can give - may your תפילות always be answered and may you be rewarded kindly for the טוב, the care and the kindness that you extend to [redacted], אלמנות, יתומים and those in need.

Thank you for helping us through this difficult time. It's not easy accepting and adjusting to the loss of a loved one but this organization helped us throughout it. You have enabled us to breathe while still figuring out the new acclimation we face financially. This organization is a messanger from Hashem. You guys assist and aid orphans and widows when so many others wouldn't. The Torah explicitaly states that orphans and widows should be provided for and guided. You messangers have fulfilled that Mitzvah. May Hashem bless you all with health, happiness, Parnasa, nachat, and Mazal. Once again, thank you from the bottom of our hearts.

Rabbi Laufer

It is now 2 ½ years since my husband's פטירה. I still feel the agony, the tremendous loss, and the overwhelming sense of despair.

Baruch Hashem, there are יחידים who understand and are sympathetic with the plight of the אלמנה. I remember the call I received from Rabbi Laufer. The generosity, compassion, and consideration were soothing and reassuring.

Without my husband's income I was totally clueless how I'd manage financially and how I'd be able to host my children.

Rabbi Laufer told me about the קרן אלמנות ויתומים Baruch Hashem, my children come for שבת and יום טוב.
I'm able to host them without דאגות serving them fish, chicken, and meat.

Most amazing about the קרן is Rabbi Laufer's system of assisting אלמנות In a respectable and dignified manner.

My husband ע"ה was always helping others. Now as an אלמנה being a taker is a very difficult adjustment.

Through Rabbi Laufer's עבודת הקודש, I am able to maintain a sense of self as well as remain the mother I am meant to be.

I want to take this opportunity and thank you and those who are supporting this program.

I, Larisa Davidov lost my husband [redacted] to Covid-19 erev Pesach April, 8, 2020. My whole world feel apart. I lost my partner, my best friend, the father of my children, and the best husband I could have asked for.

Since then, I feel lost, scared, worried but my אמונה in ה' and my קהילה keep me going.

When I heard about your program it gave me so much relief to know that there are still good people out there. To know that people care and are willing to give a helping hand.

Dear Rabbi Laufer ein"y and all the very יישר
dedicated staff,

(1) This thank you letter is already two months overdue, but please accept this nonetheless as if it was sent immediately with tremendous הכרת הטוב. There are no words of gratitude & appreciation adequate enough to thank you for your efforts עם ד' ובשם and all you do on behalf of the families and especially the mothers who find themselves in situations they never could have even imagined or believed were possible. One & a half years ago, when (2) I got a gett two days after I was told I had to form B'Shmuel Kamenetsky, the shock & devestation was beyond excruciating. My children & I felt like we had just experienced the פטירה of a father & husband with out a shiva. It truly was such a tragedy for our family (and our community, as my husband was a very well known Kinur Rabbi who became very mentally ill and wouldn't get help).

(3) I felt completely alone. With sole custody & financial support, it was devestating. Besides which my husband was everything to us. I davened that Hashem should see our צרות and protect us like he would an יתום, as that's how I felt. When I heard that we would be receiving your tremendous פרנסה - I felt like my תפילות were answered. You can't imagine how much שלוה it gave me. And then when 24 lbs of בשר were delivered straight to my house for יום טוב, all I could think & say was "ברוך שומר בתו של יעקב" - I am mad small from all your עזרה). Hashem should bentch you & all supporters of your בית יעקב fold!! Thank you!! Thank you!

Rabbi Lauffer,

"Thank you" is not a word that is strong enough, to tell you the impact that you have in our lives, or at least in mine.

When I lost my husband 15 years ago, my father told me these words which have always remained in my mind:

"Don't worry my daughter, I will always be there for you!"
And every time I received your little notebook in the mail, it brings to me the exact same message.

You are a constant reminder that Hashem, our father, is near, that he thinks of me, and that he holds my hand to keep on walking.

What a Zekhout it is! To carry such a noble mission, what pride for your family, for your community, for your parents and your ancestors!

My appreciation and my gratitude are boundless, to your association and, all those involved directly or indirectly in this grandiose project, which is yours and your father z"l.

I bless you, your family as well, as all the volunteers, the donors who made this Mega Mitzvah possible, with a long life, full of joys, of health and of spiritual and material success.

Dear Rabbi Lofer,

I want to let you know how your organization helped me heal. I was a caregiver for my chronically ill husband for over 25 years. He became ill with Multiple Sclerosis when my children were 3 and 5. We had moved far from family for a job when we were first married. Having no family support, made dealing with the illness and a young family very difficult for me. I also had no community support and being in my early thirties didn't know how to ask for help. Perhaps because few people have experience with young caregivers and young sufferers of chronic illness, the people in my community didn't see the extreme needs we had. I was the house people went to for Shabbos and the person people relied on. But I was alone when it came to any assistance. Because of this I became independent to a fault. I never allowed myself to rely on anyone. I never asked for help as I was used to being refused.

When I was approached to submit my name to your widow's group by Rebetzin Unsdorfer, at first I thought

you were asking for a donation, which I would have happily given. When she clarified that I was to be a recipient, I explained that, B”H if I am careful, I can live on my pension and wanted her to list people in my place who were more needy. She insisted that I participate, saying that the Mitzva of being concerned for widows is more than financial. Support for widows is more than making sure they have food for their families. I reluctantly complied as she accepted no other answer than yes.

The first time I hesitantly went to put in my fish and meat order, I experienced an emotion that I find hard to explain. It was one of the few times in more than fifty years I felt cared for and cared about. It was an amazing sense, that someone I didn’t even know, cared about my situation and wanted to be there for me. Because of this I am becoming more open and am beginning to heal from the years of self-protection.

I am writing to thank you with my whole heart for this mitzvah you do and I wanted to let you know it does much more than just put food on the table.

Sincerely,

You cannot imagine how heartwarming it was to receive your phone call a few weeks ago and setting up our family to be part of this venture. In addition to the practical, financial help it provides, which is needed, it means a lot to me to be REMEMBERED. We manage, we do a lot, we are like everyone else.... but we are really not. And for REMEMBERING this I am deeply grateful.

The Yearly Handbook is a brilliant idea. I have not purchased anything yet, concerned that it would be too much, too often or undeserved. Your explanations took a weight off my mind as now I better understand the history of this Keren, its purpose and how it operates.

Dear Friend:

I want to introduce you to an amazing organization called Keren Almonos.
This organization is run by Rabbi Avraham Laufer Shlita, from Brooklyn.

As the coordinator of our Mishpachteinu Sisters Toronto, Rabbi Laufer contacted me some time ago. He informed me that the Keren Almonos provides funding for almanos by paying their fish and meat purchases, setting up accounts for them in the stores. At first, having never heard of this organization, I have to admit I was somewhat skeptical. I was loath to share any information about our local almanos with him, However, upon investigation I was awed to hear that this wonderful organization was absolutely legit.

Today the Keren Almonos provides funding to approximately 2300 almanos in the U.S. and Canada. Locally, they have set up accounts in Toronto Kosher and Friedman's Fish for many almanos who could really benefit from this generous assistance, initially paying half of the monthly bill but has expanded into footing the entire bill of each participant, every month.

In addition each of these almanos was contacted before Pesach and offered vegetables, wine and matzos. Not only did Keren Almonos provide funding, they personally took the orders and had everything delivered. This entailed much leg work in making arrangements locally, since they are located in New York and this is on top of all the other women and families they assist in the U.S. and Montreal

Several of the almanos who were contacted, were so overwhelmed and almost disbelieving. They called me to ask if Rabbi Laufer was "for real". Many of them expressed their feelings of immense relief and gratefulness that such an organization exists and has reached out to them.

You can imagine that funding this humongous project costs at the very least, several million dollars yearly. Rabbi Laufer cannot do this alone.

Rabbi Laufer connected with me because someone from his organization will he visiting Toronto shortly. He asked if I could help direct him.

Would you please consider offering your generous support to this more than worthwhile chesed? Rabbi Laufer has the privilege of initiating and carrying through such a tremendous project and now we have the opportunity to partner in this very special mission to help him continue in this vital undertaking.

Wishing you a gezunten and uplifting summer.

Warm regards

Chaya Blau

Dear Rabbi Laufer,

This is [redacted] from [redacted]. I'm writing to express to you just how meaningful it is what you are doing for my family.

As I had told you on the phone, I am a mother of 11, my youngest, my daughter of 13y is medically impaired special needs who is B"H in Sharay Chemlah in Monroe. Since my gett from the father of my children 7 years ago I have been struggling to provide and care for my children on my own, with no help from anywhere. I had taken upon my self to be a driver for Liebermans car service, as well as the mikvah driver in Bloomingburg, at times not coming home till 4am, needing to get up at 6am to start the day with my children in order to keep food and some basics in the home, but was still unable to cover all the bills, and at times had no food at all in the house, not even bread or milk . We have been homeless twice with my having nowhere to go but to sleep in my car for months during the winter months. For over a year already I have been unable to work at all since my daughter's health has regressed, and has continually been regressing, I have been needing to give her my full care and be for her at all hours.

One by one, with all but my 2nd eldest [redacted], my true Tzadik after who he was named. My children have completely gone off, turning away completely from Hashem.

As the mother I have had to sit and watch my children suffer and go through all of their pain and trials Hashem has sent them. Knowing that Hashem would only give them these things to build them up, to make them stronger, (and believe me, the things each and every one of my children have been through, no one should ever have to go through.) that He would never give something that no matter how difficult a challenge it will in the end only be good. I know in my heart, in the zechus of all their grandparents from two sides, the Bal Shem Tov, the Iszbitzter, and the Bais Yaakov, that my children will only learn and grow from all their trials in order to be able to be here to help Klal Yisroel, in bringing Moshiach.

But still the pain as a mother of watching, even knowing, with only my tears and Tephillos, is very difficult. I sit with the pain like the twisting of a knife in my heart, trying to be here the best I can for my children. To accept and love them no matter what they do. But unable to provide much of anything for them, unable to provide, to prepare for them food which they love so much when they come home. Knowing that as much as I tell them I love them, that I'm proud of them, I'm always here for them no matter what, that they are my entire world. They still need a loving meal as well from their mommy. Words alone are not enough. Now when they come home, they have the smell of their favorite dishes, and they smile, which lightens my heart each time seeing that smile, watching them enjoy their meal.

I have told them where everything has come from, how you are doing this tremendous chessed for such families in need, its so important for them to see this, it opens their eyes to see that there isn't only pain from where they come from. There is chessed, and so much more good, love and acceptance.

I have so much Hakaras Hatov for what you are doing, I thank Hashem every time I shop, cook, and watch my kids eat that he has sent you as this shliach to help my family and all the families you have been helping, you should be able to continue helping, and as such I know He will most definitely bless your son Tvi Hirsh Ben Sarah, his wife Devorah Bas Rochel Leah with children that will be healthy and grow to be Tzadikim, Talmedai Chochomim, Bali Chassodim, Tznuahs, with Chein, and give only Naches to Hashem, their parents and grandparents. Your entire family should only know from Simcha, Bracha, Parnassah, health in every way, Hatzlacha, and Shmirah from Hashem.

If I may be so bold as to ask for the Rav to add the names of my children to any lists of Tephillos there may be.

[redacted]

With all the Hakaras Hatov possible,
